SOROPTIMIST INTERNATIONAL OF MUSIC CITY NASHVILLE

## DISTRICT MEETING

District Director and SI Music City Nashville Past President Karen Karpinski presided over the Soroptimist Southern Region District III meeting in Montgomery, AL October 6, 2018. Six members of our club attended and experienced an informative day with two guest speakers, roundtable discussions, updates on the region and the Ruby Lee Minar Soroptimist Fund and culminating with the entries for the Governor's Service Award.

DD Karen

Nancy Los presented our project, "Lunch for Girls" which told about our partnership with former Humphrey's Fellow, Hil from Benin, West Africa. His goal is to provide lunch for girls who attend the secondary school where he is principal. The presentation was very persuasive and (drum roll please...) WE WON!!! That means we are one of three finalists to present at the Southern Region conference next May in Orlando with the chance to be the region winner.

Vice President Nancy receiving our club recognition certificate.
