PUBLIC COMMENTS – VISITORS

Ms. Stinson does not think the tree trimmers did a good job on the back entrance and she is also concerned about grass being thrown on the streets when property owners are mowing their grass.

Mayor Bolt will address the grass issue in an upcoming newsletter.

Dr. Miller asked that the tree growing at the bottom of the front hill entrance be cut down in order to have a clear line of sight. He also asked that the area on the front entrance hill that was dug up to look for a water leak be paved.

Mayor Bolt advised the Commission that the paving is already scheduled and he will look at the tree at the bottom of the hill.
