

SIERRA NARROW GAUGE CONFERENCE

JUNE 7-10, 2018
NEVADA CITY, CALIFORNIA

**PRESENTED BY THE
NEVADA COUNTY NARROW GAUGE RAILROAD MUSEUM**

**CO-HOSTED BY THE
SOUTHERN PACIFIC NARROW GAUGE
HISTORICAL SOCIETY Inc.**

Come join in for 4 days of Narrow Gauge presentations and activities as we explore the NG Railroads that once roamed the high mountains and lower foothills of the Sierra Nevada Range. Through presentations and hands on activities we will venture into the history of these railroads and discuss such topics as the locations, structures, equipment, and the people that kept it all on track.

We will also talk about modeling these NG lines and conduct a model show where you can bring your favorite NG modeling projects to show off.

You will be able to examine and inspect up close the many pieces of NG equipment that the museum has on location and can even get a opportunity to ride in one of the restored West Side Lumber Company logging cabooses.

There will be Steam, 2 Rail Cars, and WS Plymouth activity, rides and switching in the yard. We will once again hold our West Side Lumber Company day with all West Side activities and the West Side Restoration Tri-Tip and Chicken BBQ.

Some of the Presentation Topics

West Side Lumber Company Railroad
Nevada County Narrow Gauge Railroad
Restoration of Narrow Gauge Equipment
Stanislaus Railway
Logging Trestle Construction

Lake Tahoe Railroads
Modeling Narrow Gauge
Sierra Valleys Railway
Lumber Flumes
Verdi Lumber Company

and much more...

The conference will commence on Thursday June 7th at 1:00 PM with registration and introduction and end on Sunday June 10th at 1:00 PM and will be held on the grounds of the NENGR Museum located at #5 Kidder Ct. in Nevada City, Ca.

For more information regarding the conference go to www.ncngrmuseum.org or you may contact Dennis Burke at spngoffice@sbcglobal.net or phone 707-262-1824

(See reverse for registration and accommodations)

The conference will be limited to 130 attendees so register early.
