Prelude

Greetings and Welcome

Centering Words: (1 Peter 4:12-14: 5:6-11)

Lighting the Christ Candle

Blessed be God, Author of all Creation, glory to God forever and ever through the witness of Jesus Christ. When God fashioned the world, the morning stars sang together and the host of heaven shouted for joy. May we find in our humility and purpose renewed commitment to living Christ's mission now. Amen.

Call to Worship: (based on John 17:1-21)

One: All worship should glorify God just as God is glorified in Jesus Christ.

All: Wherever we may be, Christ gathers us together in worship just like the first disciples who first heard Jesus call them by name.

One: We hear the resonate words of Jesus who prayed on our behalf that we may receive the Word and be sanctified in his truth.

All: Through the ages, our worship has lived out the mantra; "that they may be one. As God is in Christ, may we be in the Spirit. Amen.

Opening Music:

Opening Prayer: (Prayer Writing Group)

Prayer of Blessing – Food Bank Garden:

Blessed are you, God of planting and harvest, birthing and growth. Through the gifts of creation, you care for all. We pray your blessing on our Community Food Bank garden. Bless us and our families, O God, as this new season of seeding and growth begins. Increase in us an awareness of our interdependence with all creation. Bless the

land, bless our tilling, seeding, and harvest; bless the food that we share with the Food Bank that we might see in that your hand, and praise you. Amen
