

David Simeone  
Co-Founder Soccer Development Strategies

David Simeone brings 30 years of experience in coaching, managing and directing from youth, collegiate and national teams with both men and women.

Simeone served as the state Director of Coaching in both North and South Texas for a combined 10 years both in player development and coaching education. He has served as a head coach for state teams and regional teams in Regions III and IV in addition to youth and senior national teams with U.S. Soccer.

In leaving North Texas in 1999 he assumed fulltime responsibilities with U.S. Soccer as a national staff coach with the U.S. women's national team program. He coordinated player development and identification through twelve states in the south as well as instructing in the national coaching schools.

Since leaving U.S. Soccer he has managed player development and directed coaching staff in addition to successfully guiding teams at the state, regional and national levels. This includes Cincinnati United Premier (CUP), Classics Elite and the Sereno Soccer Club.

As a consultant Simeone has successfully completed projects with clubs and playing associations which include Pleasanton Rage, Weston Fury, Northshore and Vestavia Hills.
