

Golden Times

August 2022
Issue VIII

Madison County Senior Citizens Center

Well, here we are just rolling along, summer is going by very quickly, as does life it seems. Enjoy each day you're blessed with.

Remember, we don't stop playing because we grow old, we grow old because we stop playing.

We have lots going on the last half of 2022, a couple new events we are trying. I'm hopeful they will be very successful so we can add more activities like them going into 2023. A little bit of music, a little bit of art, well I will let you read the details inside the newsletter.

The café did very well for the month of July, so far, I don't know if it was because we added some personal member recipes to the play list, but a couple were big hits. The Li'L Cheddar Meatloaf, and Chicken & Mushroom Casserole, although we did mess that one up

a bit, you are supposed to use golden mushroom soup, so noted and will be corrected the next time it is on the menu; sorry Linda G. (It was still very good 😊) Once again, if you have a favorite recipe you would like to share, please bring it in or email it to us. Also, not just entrées, calling on all of you dessert makers, please share some of your favorites, we have dessert on the menu every day. If you contribute a recipe and would like to volunteer in the kitchen on the day we prepare your recipe, you know to make sure it is made correctly, that would be awesome.

We are still looking for a part-time person for the café and a part-time aide for the adult care program. If you are interested or know someone, please send them our way. This is a great place, and a very nice place to work.

It appears the serious heat is going to be here for a while longer, just a reminder, if you need a fan to help you get through the heat, we have some available. If you or a senior neighbor are in need of a fan, please give us a call or stop in.

The Madison County Arts Council did a pretty amazing version of Mamma Mia! a couple of our members that attended the show mentioned they wouldn't mind seeing the movies again here at the center, so we are going to do a double feature at the end of the month.

Thank you for the laughter I hear every day, and to everyone that helps at the center every day!

Misty

 Find the pencil hidden in this newsletter. When you find it call the center at 740-852-3001 by Friday, August 19th and tell us where it is located. If correct, your name will be entered into a drawing to win 5 free lunches. Remember it may not be on a color page. Last month the firecracker was on page 2. Congratulations to Cindy Shoemaker, the lucky winner!

Volunteer, Bonnie Radcliff, assisted the Adult Day Center clients in making the above Fourth of July flower arrangements. The ADC loves to celebrate birthdays and in June they celebrated John's 94th! Happy birthday John!

Above: June's Mystery Lunch was at Nick's in Xenia. We were seated out on their shaded patio, the weather was perfect. They had a pretty waterfall off the deck with lots of gorgeous flowers out there too. The ice cream stop was just down the street at The Dairy Station. Great hand dipped ice cream!

Above from left: Barb Florence, Ray Sheridan, Dick Hout, Jo Hout, Mary Binns and Sandy Thornber.

Above starting left: Linda Zimmerman, Bonnie Radcliff, Sandy Bird, Joyce McCafferty, Jean King, Mable Butterfield and Mary Kay Simpson playing the card game, Hand and Foot. There are several others that play as well. A good time is had by all!

Karen Streit, (left), displays a Harley Davidson t-shirt quilt she has been working on. A great way to use up all those shirts! And Geraldine Mancini shares the stained glass window quilt she has made. Just beautiful!

Autumn Harvest Gathering

Saturday, October 1st

12:00 p.m.

Starting at Noon a light lunch will be served and will be followed by delightful music by the band, Second Story Acoustic.

Afterward, enjoy delicious apple pie and pumpkin bars with cider.

Don't forget to get your raffle ticket when you arrive. We plan to have this out in our shelter house, weather permitting. If not, we will move it inside.

Also, don't worry! We checked and the OSU game doesn't start until 3:30 p.m. and Notre Dame is having a bye week.

3 Easy ways to support the Center!

amazonsmile

If you shop on **Amazon**, the Center can benefit.

All you have to do is go to the following address: **<https://smile.amazon.com/ch/31-1195151>**. Use your usual Amazon login and it will automatically send 0.5% of your purchases to the Center.

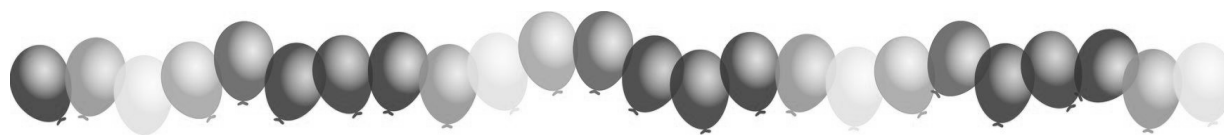

Planned Giving—What is it about? It means you are planning to give a gift later. It is a plan that you put in your will, an item that is worked out with your family and attorney. From time to time, the Senior Center receives such gifts. Whether these amounts are small or large, they are extremely important.

If you would like more information, please contact Misty Bradley, Executive Director, at 740-852-3001. Your call or meeting is strictly confidential. This is one of the easiest ways to leave a legacy to the Senior Center.

Required Minimum Distribution from your IRA—If you are 70 1/2 or older and have an IRA, you know that each year you must take your Required Minimum Distribution (RMD). But did you know that you can make a transfer directly from your IRA to a charity of your choice and the contribution is not taxed? You can give up to \$100,000 from your IRA to a charity and it will be counted towards your RMD but isn't included in your adjusted gross income. If you want further information on how you can make a gift to the Senior Center from your IRA, please contact your financial advisor.

Cooking with Grandkids!

You can't make anything taste good without first making a mess in the kitchen. With kid cooks at your side, that mess will increase exponentially. Just roll with it. That mess can also become a teachable moment. After all, you can't enjoy what you're cooking until the mess is cleaned up. Maybe that can extend to their bedrooms. Good luck with that!

Talk through the recipes. Kids are sponges. They absorb everything. That is why it is important to talk them through the recipe. Let them know the measurements and why you're adding certain ingredients at certain times. This might slow down the process a bit but it's what makes the time you're sharing in the kitchen truly fun.

Cooking with your grandkids is like an endless string of important lessons. One of the great things you can instill in them is food hygiene. Start with the need to wash hands all along the way. Then there are the handling instructions for things like raw meat and poultry.

When you're cooking with your grandkid, you should be tasting along the way. This will open up their pallets and get them to have a stronger appreciation for a variety of food. Plus, they get to have a say into whether something tastes right or not. That's empowerment.

The Madison County Senior Citizens Center is funded in part by Title III funds from the Older American's Act of 1965. These funds are administered by the Ohio Department of Aging and contracted to the local agencies by the Central Ohio Area Agency on Aging. Local funds are necessary to match these Federal dollars. They are made possible by Madison County Commissioners, a county wide levy, donations, contributions and fund raisers. The Center is non-discriminatory in services and employment. The building is handicapped accessible.

COAAA Advisory Council Meetings Open to Public

The Central Ohio Area Agency on Aging (COAAA) Advisory Council will meet the first Thursday of each month.

Advisory Council meetings are scheduled from 10:30 a.m. to 12:00 p.m. All meetings except for December are held at the COAAA office, 3776 South High Street, Columbus, Ohio.

The council is comprised of volunteers from eight Central Ohio counties who represent the views of older adults in their specific communities and advise the Area Agency in its operations.

Mission Statement

The purpose of the Madison County Senior Citizens Center is to encourage, foster, and develop opportunities for the senior citizens of Madison County through education, recreation, respite, nutrition, daycare services, and assistance in independent living.
