

Mr. C's Car Wash

Revised #3

9/12/19

Dear Customer:

Donation Requests

Mr. C's Car Wash loves to help others and be an active part of the community. Mr. C's is happy to work with fundraising programs or provide donations for raffles or auctions for schools, churches, and non-profit organizations. Due to overwhelming requests (350 in 2016); we need your help in expediting the process by completing the following form and faxing it to (586) 331-3054. Once the form is received, donations will be mailed within 10 days; however, fundraisers and large quantities of car wash tickets will be available for pick up at your selected location. We're sorry but Mr. C's does not buy ads or donate money; we donate car washes for silent auctions, raffles, door prizes, and senior all night parties.

Helping Hands Charity Fundraiser

Mr. C's Car Wash Helping Hands Charity Fundraising program is a great way to quickly and easily raise money. Mr. C's provides the car wash passes (valid for a \$21.00 credit towards any full service wash or greater at all locations) and your group has 30 days to sell as many as you can. By selling the minimum of 100 tickets at \$21.00 each, your organization would net \$1050.00. The car wash tickets cost the charity \$10.50, a 50% discount off the \$21.00 credit. The Helping Hands program is a quick, easy way to raise money that provides customer satisfaction and value for everyone. Please see the General Manager at the location of your choice for a form to participate. Once the form is submitted, we will call you when we receive the tickets.

Please complete the form below to signify what you are requesting:

Name of Charity: _____ Date of event: _____
