

“In Honor Of” Campaign

Are there Shawnee Mission East teachers, coaches, staff members or classmates who have affected your student in a positive way?

The answer is probably a resounding, “Yes!” The SME family is committed to ensure that students achieve their very best. Whether it’s spending extra time on academic assignments, counseling a student or helping shape tomorrow’s leaders, these caring, compassionate professionals do what it takes to make a meaningful difference.

Have there been school programs that captivated or inspired your student to discover new talents, develop new skills or make new friends?

SME offers outstanding opportunities for students to expand their interests both in and out of the classroom. From sports, student government and spirit clubs, to communications and a variety of visual and performing arts, students can enrich their high school experience in so many ways.

The “In Honor Of” Campaign gives you the opportunity to recognize and support the people and programs that make a difference. Can you think of a better way to honor these treasured individuals and life-changing programs?

Your gratitude and generosity create a legacy at Shawnee Mission East.

When you honor the people and programs you love at SME, you are supporting *The East Fund*. Grants provided through *The East Fund* enhance innovative initiatives, help students engage in after-school tutoring and create interactive classroom opportunities.

WHY IS IT IMPORTANT TO SUPPORT THE EAST FUND? Government funding is dwindling. New advances in technology are presented to SME every year. *The East Fund* supplements current and emerging opportunities to enhance the students' learning experience. In addition, supporting these opportunities does not reduce SME's law-mandated state allocation.
