Founded in Uganda in 2011 by Gloria Katusiime, Endiro has adhered to the single, compelling vision and an unquenchable determination to help end child vulnerability globally. The coffee and food that they serve plus the products they sell are solely intended to make a profit simply to help children. The first United States Endiro Coffee Shop, located at 29 W New York Street in Aurora (331/256-6683), opened May 5th, 2017. It specializes in being a gathering place for those who share the Endiro vision.

Ugandan coffee, sourced at the Village level, comes from a network of farmers who are known, trained, equipped and mentored. Coffee is as varied and beautiful as the people who grow it. Handcrafted coffees include Hario Woodneck, precisely measured for weight and temperature and poured through an eco-friendly cotton cloth filter into a glass decanter. Aeropress, a world famous device, uses high pressure to force hot water through precisely measured coffee through a steel filter, resulting in a rich brew. French Press relies on steeping coffee fully immersed in hot water and gently pressing it through a steel mesh filter. Jerry Can Cold Brew begins by grinding coffee before brewing it cold for 12 hours. The result is a bright, fruity flavor that is served over ice.

Endiro Signature original coffee creations are the Black Tie Mocha (espresso, milk, blackberry, lavender and white chocolate), Sticky Bun Latte (espresso, milk, caramel, cinnamon and hazelnut), Flava in 'da Caramel Latte (espresso, milk, caramel, vanilla and sea salt) and Laid Back Vanilla Mocha (espresso, milk, vanilla and chocolate). Café Classics include Espresso, Espresso & Latte Macchiato, Cafe Breve & Latte, Cappuccino, Café Americano & Mocha, Frappe Classico, House Coffee and Hot Chocolate.

Nine Fresh Juices and Smoothies are also available.

Specialty Teas include Tabletop Hot, brewed at the table in a loose-leaf brewer, then filtered directly into the cup. Sun-Brewed Iced Tea is brewed in large mason jars. It can be sweetened with house made simple syrup.

Winter Drink Specials feature Toasted Marshmallow Hot Chocolate, Pumpkin Pie Latte and Peppermint Mocha.

In addition to drinks, Breakfast, Lunch and Dinner are also served. Breakfast choices include 4 Combos and 5 Sandwiches, plus several A la carte items. Breakfast is served all day at Endiro.

Seven Lunch and Dinner original sandwiches (gluten free or vegan, each of which is served with choice of side including KLA of the day, a green or fruit salad or a bag of chips on bread, bun or gluten free rice flour chapati), 5 varieties of KLA (Kampala) sides and a Kid's Menu (Grilled Cheese, Jr BLT, The NanoNutter and Chicken Strips) round out the menu.

Check out the wall of beautiful Ugandan made jewelry for purchase at Endiro. Coffee by the Bag is also for sale.

The downstairs is a Private Party area with a patio that opens to the Fox River. A rotating display of local art adorns the walls.
