**A Note from Rick:** A solid week for markets at TLA. Dairy cattle, springers, and fresh cows were a little stronger in price again on Tuesday and there is definitely more interest and activity in this market. The calf market was also a little stronger on the good, big calves but there is still very limited interest in calves weighing less than 85 lbs. Cows were a little softer while slaughter cattle, both mixed and holsteins, were a little stronger, gaining back some of the losses from 3 weeks ago. The pony sale on Monday was another highlight. It was a beautiful day for a sale and we had a great crowd. Kids and ponies everywhere all day long and when it was all said and done, we felt like it was one of the best Fall pony sales we've had here at TLA. Thank you to all the buyers, consignors, spectators, employees, and everyone that had a hand in making this another great day at TLA! Join us this weekend for our first Morgan Classic, lots of events going on Friday and we will start selling a good line-up of horses starting Saturday morning at 9 AM. Hope to see you all again soon!
