Dear Business Owner,

The Grand Theatre has been an integral part of Main Street Williamstown since 1924. And, the Road Company Theater Group has been a part of its history since the late 1980s. The Road Company brought back live entertainment to Monroe Township where, not only do we produce high quality musicals, dramas and comedies at an affordable price for the community to enjoy, it is our mission to be a vital force in the cultural development of its surrounding region.

The Road Company is a 100% non-profit theater group with the sole purpose of advancing and advocating for the Arts in the community. Our goal is to sustain the group at the Grand Theater while producing more professional quality shows and events in order to ensure its continued growth and success. It is sponsorships such as yours that help us in achieving that goal.

Recently, we have partnered with Autumn Lake Winery, located here in Monroe Township, for the Road Company's 5K Wine Run festival fundraiser, *A Grand Day at Autumn Lake Winery*. The Wine Run will be held at the vineyard at 870 W. Malaga Road in Williamstown on June 16, 2018. The day will begin with the 5K walk/run at 9am followed by wine tasting, live music, available food and fun!

By becoming a sponsor for this event, you are taking advantage of an opportunity to gain exposure in a positive and meaningful way as an outstanding supporter of the Arts and Culture in our community. Attached, is a sponsorship form for the 5K Wine Run. Please consider becoming a proud sponsor of this event and supporting the Arts here in Williamstown and please come out and join us for *A Grand Day at Autumn Lake Winery!*

Thank you for your consideration,
