JAN 1, 2025 PARKING CHANGES – IMPORTANT INFO:

State Assembly Bill 413 prohibits the stopping, standing, or parking of a vehicle within 20 feet of the side of an intersection, whether or not the curb is painted red. This is a safety measure known as “daylighting.”

Some curbs will be painted red. However, it is a violation to park in the “daylighted” areas regardless of whether the curb is painted red.

On a two-way street, only the space on the right-side approaching a crosswalk as one is driving is affected. On a one-way street, both the left and the right curb areas 20 feet from the crosswalk are no parking zones.

The City has told us that they will probably begin by writing warnings for each first infraction but after that they will give tickets to repeat offenders.

For more information or questions on AB 413, please contact Oceanside’s Traffic Engineering department at 760-435-4500.

DID YOU KNOW?

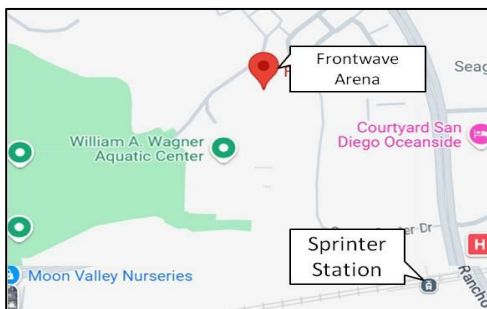

Oceanside has its own arena! The new FRONTWAVE ARENA is an indoor, multi-purpose venue in our El Corazon Park (Oceanside Blvd & Rancho Del Oro Dr).

It opened in September 2024, and is the home of the San Diego Clippers, the San Diego Sockers of the Major Arena Soccer, and the San Diego Strike Force of the Indoor Football League.

Additionally it has already hosted multiple entertainment events including the GOATS (Greatest of All Time Athletes) featuring Simone Biles and top USA Volleyball players. The 2024 concerts series included CAKE, Rock 105.3's Rocktoberfest, M'N & 95.7 presented Monsters of HiHop, Banda El Recodo, and KSON's Country Christmas each featuring top artists.

This is a great asset for Oceanside and just a short Sprinter ride away from downtown!

Upcoming events for early 2025 include Gymnastics Showdown, multiple Soccer and Clipper games, HOLO music festival, and wrestling matches. Check out the calendar at www.frontwavearena.com/events.

O'SIDE TRANSIT CENTER'S NEGATIVE IMPACTS

City staff is reviewing and consolidating comments for NCTD to respond.

EMAIL your concerns: Rob Dmohowski at RDmohowski@oceansideca.org

Key issues are:

- 1) Routing **dozens of buses and 1000+ additional cars on our small streets** (Michigan and Missouri) creating safety hazards for pedestrians and cyclists!
- 2) **Wiping out our limited street parking** for our residents and businesses like ACE Hardware and Local Tap House (LTH).
- 3) **Insufficient traffic analysis** to address impacts of est. 1200 new cars!
- 4) **Additional air quality and noise problems.** The trains and buses increase soot. Train horns may honk up to 10 X on arrival/departure!

OCNA Board has submitted opposition to the DEIR due to multiple unmitigated negative impacts for our neighborhoods!
