Hatzlacha Initiative

August 15, 2021

In conjunction with the BMA, BYOM, and the Scholarship Committee, we bring you the Hatzlacha Initiative. "Hatzlacha", literally meaning "success", in Hebrew, is at the heart of our Aim. Those youth that are of the age of 16 or older are invited to join our listening and learning event via zoom. We will discuss your aspirations for the future and the 3 main avenues to achieve them (collegiate studies, Entrepreneurship, and Trades). We will also arm you with some useful tools to help you succeed those goals. We hope to see you there.

20th Anniversary Recap by Taleah Grimmage

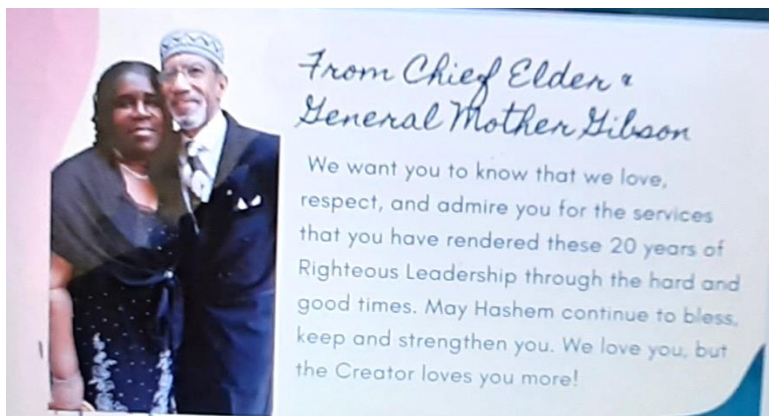

*Rabbi Debra and Dr. Bowen,
Here are some reasons we
love, admire and respect
you.....*

*From Elder Norman &
Lady Monique Gladden*

The admiration and respect they display for one another is a remarkable quality of their relationship.

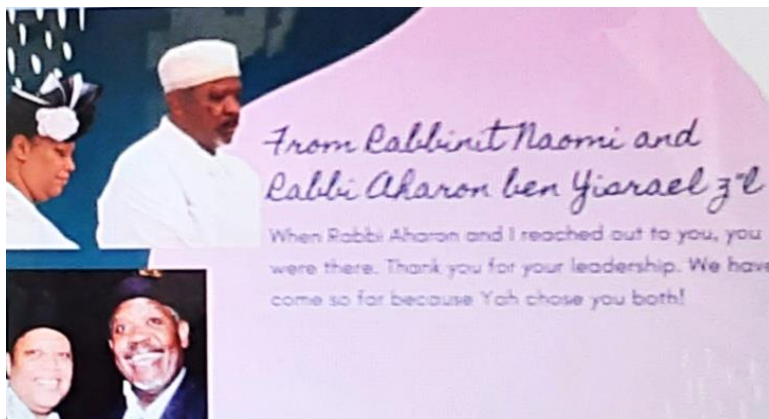

*From Chief Elder &
General Mother Gibson*

We want you to know that we love, respect, and admire you for the services that you have rendered these 20 years of Righteous Leadership through the hard and good times. May Hashem continue to bless, keep and strengthen you. We love you, but the Creator loves you more!

*From Rabbi Reuben &
Rablinit Jamilah Register*

We respect their dedication and zeal for righteousness! We love how they make it known how good TMH is to them. They are truly an inspiration!

*From Rablinit Naomi and
Rabbi Aharon ben Yisrael z"l*

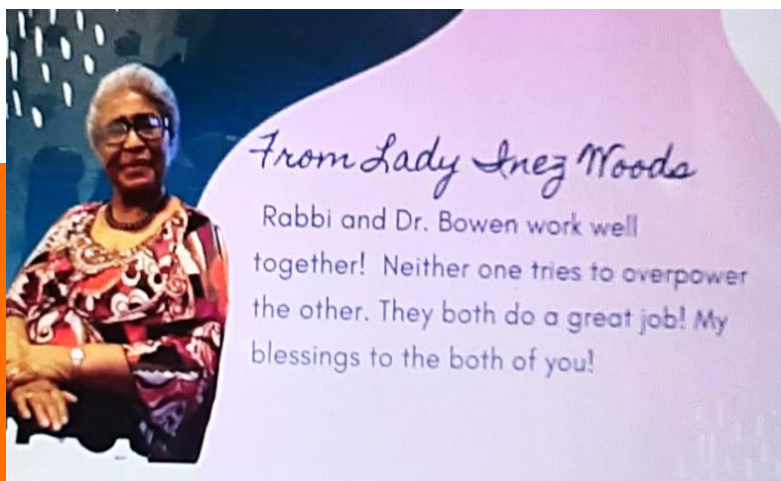

When Rabbi Aharon and I reached out to you, you were there. Thank you for your leadership. We have come so far because Yah chose you both!

*From Rabbi Harold and
Rablinit Eunice Purnell*

The Bowers have been committed to two distinct things: our position & our place in the community. They avoided the term "convert" and replaced it with the phrase "we're returning".

Thank you Dr. & Rabbi Bowen!

From Lady Inez Woods

Rabbi and Dr. Bowen work well together! Neither one tries to overpower the other. They both do a great job! My blessings to the both of you!

From Lady Joy Twiggs

I love, respect & admire Rabbi & Dr. Bowen because The Most High "chose" them to lead. Many are called but few are chosen!

From Rabbinit Shoshana Grimmage

I love, admire and respect the Bowens for their love to The Eternal, each other and Elohim's people!

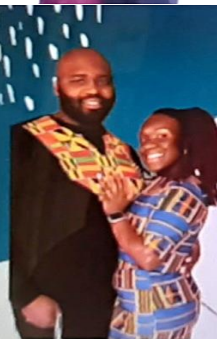

From Elder Kevin & Lady Nili Gleaton

We admire the zeal and compassion Rabbi and Dr. Bowen show towards serving The Most High and His people.

From Rabbi Sholomo & Rabbinit Saleah Grimmage

When we look at Rabbi and Dr. Bowen, we see what a marriage looks like when you put The Most High first and support one another in your position of leadership. It's not easy, but with the help of The Eternal, you can make it...together!

From Elder Anthony & Lady Nina Glover

Love in motion, is what we witness when we are in the presence of this power couple!

From Elder Chaim and Lady Rebecca Ross

We love and admire their love for The Creator, support for one another and how they build together. Blessings Always!

From Rabbi Ariel, Sr. & Rabbinit Anita Grimmage

We love and admire the effort and sacrifice you put into everything. We love and admire your spirit and passion towards The Most High.

From Elder Elton and Lady Alice Evans

Rabbi and Dr. Bowen always help their young members connect to programs that would be beneficial for their goals in life!

From Rabbi Elijah & Dr. Shelly LaPrince

We appreciate your 20 years of leadership and dedication to Temple Bethel. We admire your kindness and perseverance.

From Lady Shenice Evans

Rabbi and Dr. Bowen, I love and admire the way you serve The Most High and The Most High's people. I also love the way you love on each other.

And finally.....

We ALL love you because you are two of the very best Rabbis around!
