

## ABOUT OUR EDUCATORS

All courses are taught by experienced clinicians who have offered dental implants to their own patients. *Click the individual name to read their biography.*

### Dr. Geoffrey Berg

Dr. Geoffrey Berg is a general dentist with extensive training in sedation and implant dentistry. He received his Bachelor's degree from Brigham Young University in Provo, UT, in 1997. He then attended Oregon Health Sciences University in Portland, OR, where he received his Doctor of Dental Medicine in 2001, graduating with Clinical Honors.

Dr. Berg completed an extra course of study in Anesthesia and Oral Surgery in 2001. He is licensed by the Oregon Board of Dentistry for Deep Sedation. Dr. Berg's practice places an emphasis on sedation dentistry and dental implants. He has perfected his skills by placing and restoring hundreds of implants.

He also has extensive experience in all phases of grafting, including socket preservation, sinus augmentation, soft-tissue grafting, and block grafting. His love for dentistry and passion for Oral Surgery have made his personal practice a success, and he enjoys sharing his aptitude with others through educational endeavors. Dr. Berg practices in Albany, OR.

### Dr. C. Edgar Davila

Dr. C. Edgar Davila is a board certified maxillofacial prosthodontist in Tampa, FL. He is a graduate of the University of Louisville School of Dentistry, where he completed his residency in combined prosthodontics and earned a Master's Degree in oral biology.

Dr. Davila completed an advanced general dentistry program at the University of Rochester Eastman Dental Center in New York, and completed a fellowship program in maxillofacial prosthetics and dental oncology at the University of Texas M.D. Anderson Cancer Center in Houston, TX. He was on staff in maxillofacial Prosthodontics at H. Lee Moffitt Cancer Center and was a faculty member at the University of South Florida School of Medicine, Department of Otorhinolaryngology.

A past president of the Florida Prosthodontics Association, Dr. Davila is a Diplomate of the American Board of Prosthodontics, Fellow of the American College of Prosthodontics and the American Academy of Maxillofacial Prosthetics, Associate Fellow of the American Academy of Implant Dentistry, and member of several local and national dental organizations. Dr. Davila maintains a private practice in Tampa, FL.

### Dr. Robert D'Orazio

Dr. Robert D'Orazio is a dentist who specializes in dental implants, cosmetic dentistry, periodontics, and endodontics. Dr. D'Orazio is a 1984 graduate of the University of Detroit, School of Dentistry. In 1987, he obtained a Fellowship in the Academy of General Dentistry. In 1991, Dr. D'Orazio completed a two year externship at the Midwest Implant Institute, which included obtaining an ACLS certificate and intravenous conscious sedation training. He is a Past President and Board Member of the Midwest Implant Institute Fellowship. Dr. D'Orazio is a Fellow of the American Academy of Implant Dentistry. In 1999, he was Program Chairman for the American Academy of Implant Dentistry's Annual International Meeting. He is a Diplomate of the American Board of Oral Implantology.

### Dr. Kevin Doring

Dr. Kevin Doring is a graduate of the Johns Hopkins University and earned his DDS degree from the Baltimore College of Dental Surgery, Dental School at the University of Maryland. He then completed a General Practice Residency at the Charleston Area Medical Center and received certification as a Dental Anesthesiologist.

Dr. Doring has been actively placing and restoring implants since 1985. He is a member of the American College of Dentists, the International College of Dentists, and the Pierre Fauchard Academy, as well as a Fellow and Master of the Academy of General Dentistry.

Dr. Doring has been published in numerous dental journals and has lectured on various dental topics. He currently maintains a Comprehensive and Implant Dentistry private practice in Edgewater, MD.

### Dr. Jim Eggleston

Dr. Jim Eggleston is a general dentist with an extensive background in cosmetic and implant dentistry. He has trained with the world-renowned implantologist, Dr. Carl Misch. He has received his Fellowship with the ICOI and has placed and restored hundreds of dental implants.

His ability to combine his cosmetic training from Dr. Larry Rosenthal with advanced studies from the Pankey Institute has enabled him to provide his patients with the ultimate combination for successful cases. Dr. Eggleston practices in Turlock, CA.

### Dr. Joseph A. Favia

Dr. Joseph A. Favia is a 1993 graduate of Loyola University School of Dentistry. He completed all courses at Dr. Pete Dawson's Center for Advanced Dental Studies as well as several Continuums at The L.D. Pankey Institute. He is a member of the ADA, ISDS, CDS, AAID and the Arcolian Dental Society.

He completed an advanced bone grafting mentorship with Dr. Joel Rosenlicht that included performing sinus lifts and block grafts. Dr. Favia maintains a private practice in Arlington Heights, IL.

### **Dr. Mark A. Iacobelli**

Dr. Mark A. Iacobelli, DDS, FAGD, FICD, graduated from Case Western University School of Dentistry in 1982. Since then he has completed postgraduate programs in orthodontics, neuromuscular and TMD treatments for jaw and head pain, esthetic and cosmetic dentistry, implant placement and restoration, and a one-year program on conscious sedation with Advanced Cardiac Life Support.

He has been in private practice since June of 1982, and holds licenses and sedation permits in the states of Ohio and Florida. Dr. Iacobelli is a Fellow of the Academy of General Dentistry, the Midwest Implant Institute, and the International College of Dentists and is a member of many dental organizations.

Dr. Iacobelli is teaching and presenting for The Center for Occlusal Studies, The Midwest Implant Institute Fellows Symposium and Outreach Programs, Jamison Consulting of Florida, The Midwest Implant Institute, and The Camlog Corporation.
