## Southern Star Foot and Ankle Privacy and Financial Policy

Thank you for choosing Southern Star Foot and Ankle as your healthcare provider. We are committed to your treatment being successful. Please read and sign our financial policy prior to treatment. Please take note of the following office policies:

- FULL PAYMENT is due at the time of service. If you are contracted with an HMO, PPO, POS or Third Party Insurance Company, then CO-PAYMENT/CO-INSURANCE does apply and will be collected at each visit.
- YOU are responsible for providing us with any UPDATED insurance information prior to treatment; otherwise, YOU will be responsible for the balance.
- Failure to cancel your appointment (failure to notify us you will not be coming) at least one (1) day before your appointment WILL result in a $50.00 non-cancellation fee as you are blocking out time slots other patients could use.

**Regular Insurance**: We require all patients who are contracted with regular indemnity insurance to pay at the time of service unless other arrangements have been made with the office manager. We also require payment of any outstanding balance at time of office visit. We will provide you with the necessary documentation upon request.

**Medicare Insurance**: After your yearly deductible has been met, we will accept assignment of benefits as set forth in your Medicare Part B. Medicare sets the fees that we may charge and Medicare requires all patients to pay their 20% of the approved amount at the time of service. If you have supplemental coverage (MEDIGAP), we may be able to file this for you as well as if it is a plan that we participate in. Please provide us with your secondary insurance information so that we may appropriately inform you. Medicare does NOT cover ALL services. Our staff is aware of most of the non-covered services, and we will alert you prior to your treatment if possible.

**HMO-PPO-POS-Third Party Insurance**: All co-payments, co-insurance, and deductibles are due at the time of treatment. In the event your insurance coverage changes, please advise us immediately. If your plan requires a primary care physician referral, it is your responsibility to obtain the appropriate referral prior to the appointment. We will attempt to assist in reminding you when you need a referral. Please be advised that some, and perhaps all of the services provided may be NON-COVERED services under your plan and they may become YOUR responsibility regardless of what type of coverage you have.

**Minor Patients**: The adult accompanying a minor and the parents (or guardians of the minor) are responsible for full payment. For the unaccompanied minor, treatment will be denied unless appropriate consent has been received and charges have been pre-authorized and payment has been made prior to treatment.

**Delinquent Accounts**: All accounts that are past due [Sixty (60) days or more] will be charged a cumulative interest rate of 12% or $50.00 collection fee, whichever is greater on all outstanding charges. Your account will then be sent to collections. Please keep your account current, and if this is not possible, please alert us immediately (to avoid the charges above). We are always able to find an amicable solution.

**Returned Checks**: All checks returned by the bank for "Insufficient Funds" will be charged with a $100.00 processing fee, and we do require the check be replaced by cash or money order within 7 days.

**Refunds of Supplies**: There will be NO refunds on any supplies dispensed. Unfortunately, every supply dispensed or prescribed may not work for all patients. However, we strive to ensure we make every effort to have a satisfactory outcome.

**Additional Fees**: Copies of digital x-rays will be provided upon request for a fee of $50.00 / disc. Disability forms that need to be completed by our office incur a charge of $50.00 / form. Copies of medical records will require 7 days written notice and incur a charge of $50.00.

**Notice of Privacy Practices Acknowledgement:** I understand that, under the Health Insurance Portability & Accountability Act of 1996 ("HIPPA"), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to: Conduct, plan, and direct my treatment and follow-up among multiple healthcare providers who may be involved in that treatment directly and indirectly. Obtain payment from third-party payers. Conduct normal healthcare operations such as quality assessments and physician certifications. I understand that Southern Star Foot and Ankle reserves the right to change these policies at any time and I may contact the office for an updated copy at any time. I understand that I may request in writing that you restrict how my private information is used or disclosed to carry out treatment, payment, or healthcare operations. I also understand you are not required to agree to my requested restrictions, but if you do agree, then you are bound to abide by such restrictions.

With the ever changing environment of healthcare, it is necessary we set guidelines for our patients to ensure no future misunderstandings. We all must work together to ensure your experience with our office is a good one.

I have read the above FINANCIAL POLICY. I understand and agree to comply with it.
