The Bettendorf Wrestling Club is a fantastic opportunity for kids to learn the sport of wrestling. The Bettendorf Wrestling Club strives to develop good sportsmanship, confidence, self-discipline, positive attitudes and an excellent work ethic in all participants. The Bettendorf Wrestling Club is one of the top clubs in the state of Iowa and is the feeder program to the perennial powerhouse Bettendorf High School Wrestling team. The goal of the Bettendorf Wrestling Club is to not only prepare young wrestlers to compete at the high school level but also to help build the character traits and work ethic that will make them successful in life.
