Pride Softball FAQ

Q: Do I need a team to join?

A: Absolutely not. You are able to join as an individual player and will be placed on a team once the season begins just register as a free agent!

Q: How do I register my team?

A: Team captains are to register first thus creating the "team" in our online registration. Once team players register they will be able to select that team. The team captain will then approve or deny any requests at which time it will give the player 24 hours to pay in order to complete their registration. Teams will be in "pending status" until they meet the minimum of 12 player requirement. Once that is fulfilled team status will change to complete.

Q: How many people can be on my team?

A: There is a minimum of 12 and a maximum of 20 people that can be on one team roster. There is no gender rule, we will not limit nor require any team to have a certain number of women or men. This has been replaced by the 80/20 rule. This rule stipulates that any team can only have a MAXIMUM OF 3 NON-LGBTQ players. Your team is not required to have any Non-LGBTQ but if you do then three is the maximum number allowed. This question will be asked during registration and enforced as we transition to join the North American Gay Amateur Athletic Alliance.
