MEMORANDUM FOR RECORD

SUBJECT: Personal and Professional Reference Letter for Heyko Wedekind

1. During my year tour to Feyzabad, Badakhshan, Afghanistan, I have had the pleasure of meeting Heyko Wedekind. Mr. Wedekind works for [REDACTED] der for all air assets that fly in (and out) of Feyzabad. On many occasions over the last year, I had to request special accommodations for fuel from Mr. Wedekind and he was always willing and able to assist me to ensure our flights were never without fuel or delayed because of delivery. Mr. Wedekind has been my 'neighbor' on PRT Feyzabad from June 2010 through April 2011. He has always been very supportive of our mission here and we have grown to become good friends. I offer this personal and professional recommendation for Mr. Wedekind and have no doubts about his strength of character, 'can do' attitude and willingness to help accomplish the mission.
2. POC for this memorandum is the undersigned at [REDACTED]
