Published on the website:

“Minneapolis Kansas Sports Hall of Fame”

To Commemorate the 60th Anniversary of GOLF at Minneapolis High School, the following overview of a history of the program has been produced. This also commemorates the retirement of Dale Henderson , the 8th Head Coach in the program. Dale Henderson has served in this position from 2005 – 2022, the second longest tenure among coaches of MHS Golf. The overview found on the following pages highlights a timeline of the program, but primarily the results of League Tournaments and Post-Season Tournaments as has been found published in various print forms. Data from other regular season meets have not been researched and included. The data presented here IS NOT complete. If anyone can substantiate results of missing information, please let us know.

The program participates in the KSHSAA Boys Golf post season tournaments, there are multiple times that MHS girls have participated in the program, included in this the 60th year of the program. MHS Girls Golf which has been played in the Fall is not included. This program existed in the early 2000's.
