Goals

The goal of the evaluation process is to maintain a fair, objective and thorough process for assessing player abilities and skills in order to place each player onto a team that will best challenge their current level of play. Additionally, it's our goal to **place all players who want to play travel soccer whenever feasible** based on numbers of players in an age group and the availability of coaches.

Indoor teams practice at least once a week at a NP School gym. Game day is dependent upon the age group and division that you are playing in. Coaches will be able to be more specific once teams are formed. If you are interested in coaching a competitive team, please fill out a form, write "Coach" at the bottom and turn it in to Joe Sayles or to the snack bar.

ALL COACHES AND TEAMS ARE SUBJECT TO APPROVAL BY THE NPYSA BOARD OF DIRECTORS!!!
