

Welcome to the Hummingbird Lane Daycare Center. We are happy to have your family join ours. It is our mission to provide the highest quality of character and education based childcare at affordable costs. We help our children learn through multiple experiences including play, academic activities, and social/emotional learning experiences. Our goal is to provide a safe, educational, and fun learning atmosphere for each child attending Hummingbird Lane Daycare Center. In order to do so, we must abide by the policies set by the State of Illinois.

The care of your child is our first priority, and we have an open door policy for any concerns, questions or comments. Please take some time to read this handbook carefully before enrolling your child. We have attempted to include the most vital information. However, it is possible that every question or situation may not be covered. This handbook should not be considered the final authority on all concerns that you may have or that may arise in the future. If you are in doubt about any aspects of the policies, practices or procedures stated herein and how they affect you, please speak to the Executive Director or Director of Hummingbird Lane Daycare Center(HLDC).
