

Etching vs. Engraving

PRODUCTION TECHNIQUE COMPARISON

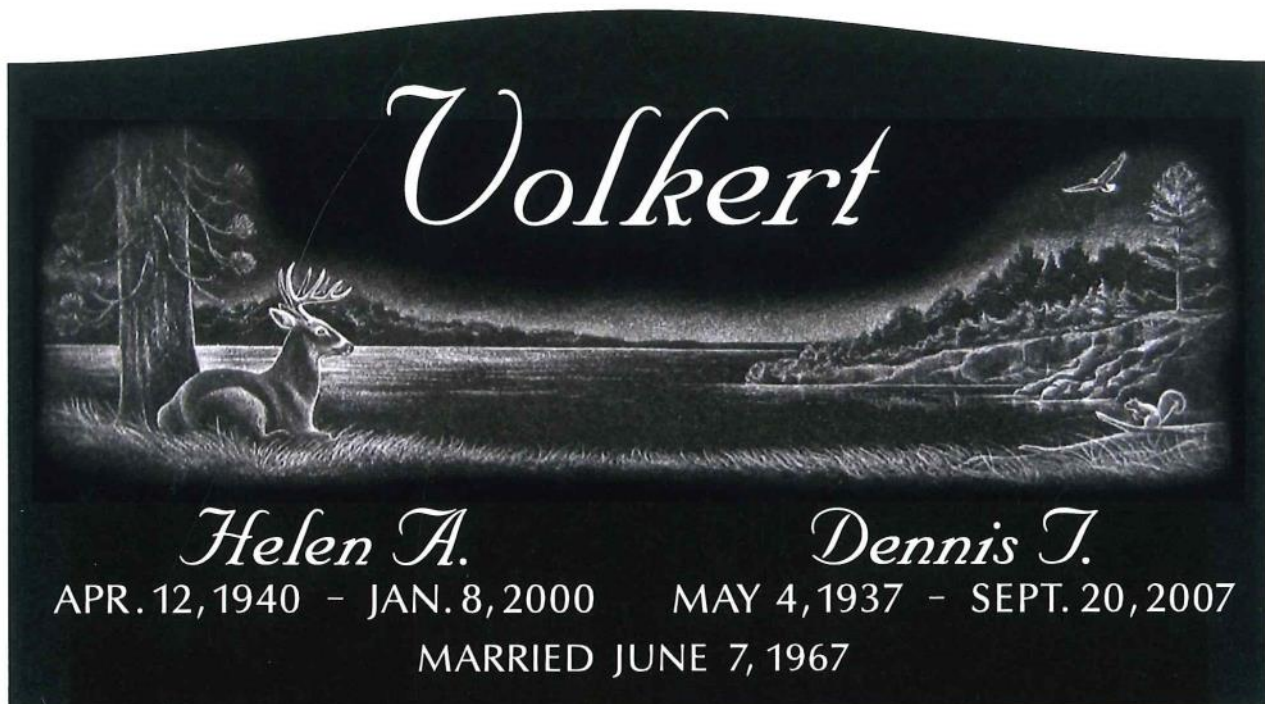

THESE EXAMPLES SHOW DIFFERENT DESIGN SOLUTIONS BASED ON THE SAME DESIGN INFORMATION

SANDBLAST INCISED

Entire scene is sandblast incised. See Sandblasting Techniques
Can be done on any color granite.
Detail is limited.

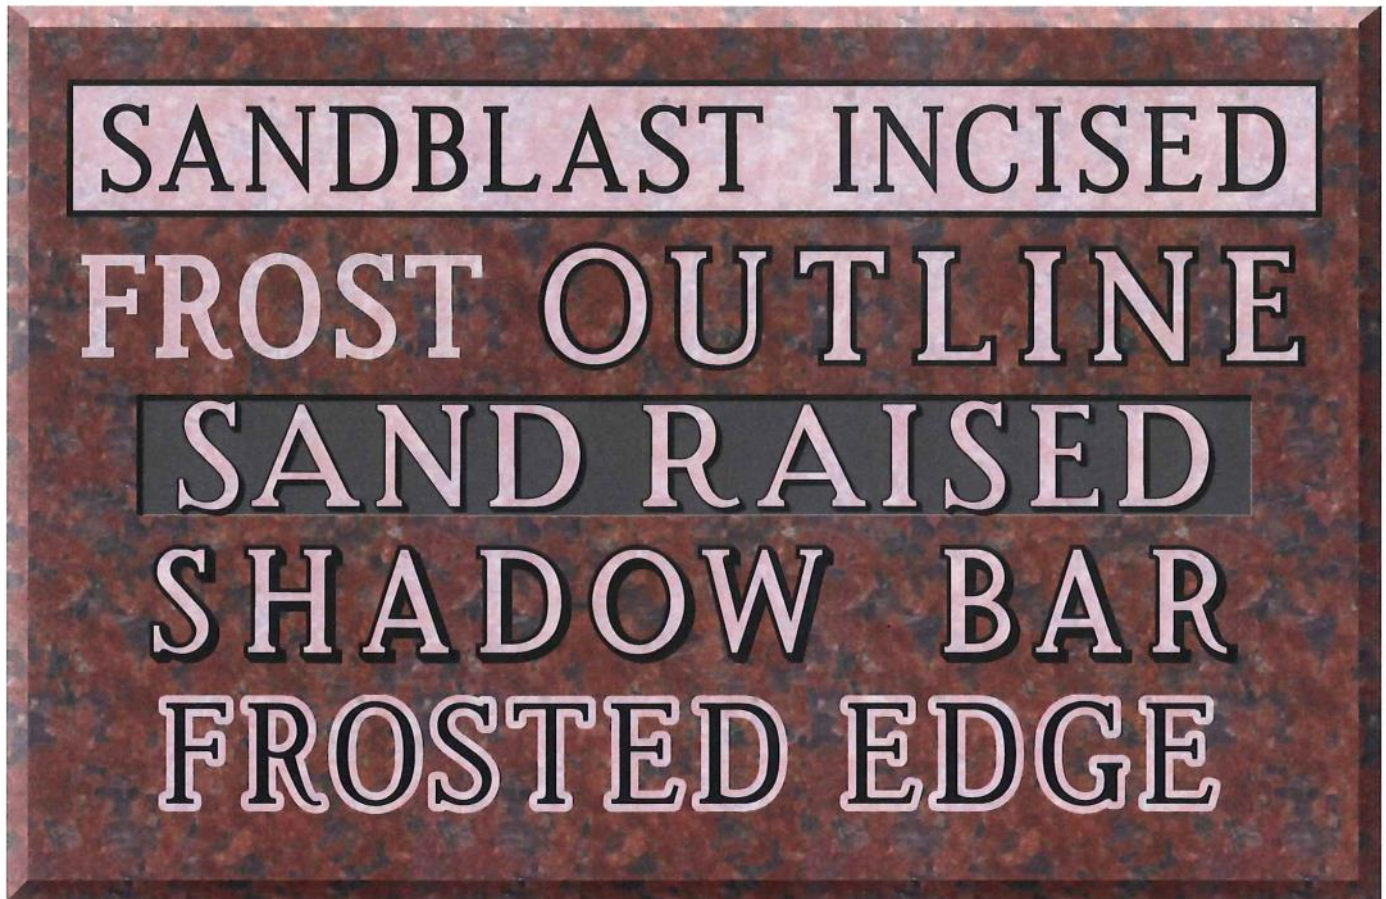

BCMN241

HAND ETCHING

Design is drawn by hand on the stone face with diamond tipped engraving tools. Lettering is Sandblast Incised or Frost. See Sandblasting Techniques
Black granite is preferred.
High detail is possible, provides a more artistic and warm overall look.

Sandblasting Techniques
