Welcome to...

We are so happy you joined us today in celebration of Imagymnation (Plus... Cristina and Bernadine as owners for 7 years!) Since 1980, IMAGYMNATION has been teaching the children in this community the sport of gymnastics in a warm, friendly, and FUN atmosphere. Whether you are already a part of our IMAGYMNATION "family" or new today, we welcome you to enjoy in this special celebration! Be sure to stop by our front desk today to find out about all of our exciting programs:

- *Girls & Boys Gymnastics (12mos. & up!)
- *Lil' Explorers (Open Gym for up to 5 yrs)
- *Gym Jam (Open Gym for 5 & up)
- *FREE Baby Group (infants up to 12mos.)
- *Ninja Training Classes
- *Funtastic Birthday Parties!
- *"No School" Fun Days, Drop N Shop & Seasonal Camps!

GYMNASTICS

Just as important as their ABCs!

DID YOU KNOW?

Studies show that children learn cognitive skills more effectively in an environment that includes the body and mind (Barrett, 1998) It has been proven that GYMNASTICS and early childhood movement education are directly attributed to developing neurological pathways in students and promoting reading readiness!

Let your child start climbing the building blocks of success by enrolling them in one of our GYMNASTICS programs!
