President's Report

Hello Carolina Working Group Members...

I hope you are enjoying your summer...please keep yourselves and your dogs cool.

Let me begin by thanking all of you whom have worked tirelessly to move our club forward and accomplish our goals for 2022. A simple thank you seems too little to convey my emotions. Know that I do appreciate all your efforts and although I don't name you specifically, I applaud your work.

From this year's shows, I want to first thank our fearless leader Francine Brown, Show Chair, who was smart enough to bring a friend that I will get into our club ASAP! Her friend Tara Fowler, a non member, stepped in to do hospitality when I was taken away for other needs. She helped set up rings and get everything sorted out by 9am. Then she attended to the judges throughout the day! And helped with clean up after the show. We need her as a member NOW! Sherry Harman, drove all the way and stayed over without an entry to be our Treasurer on the day and chair catalog sales! And before you even got there, Julie Fitser was busy setting up grooming room spaces for everyone. BIG thank you from me! The person that had 4 teams of people until the morning they were supposed to be there, and it was you and me. Others helped with ring timing, getting the chairs to the ring for judges, attended to the group trophies and helped get all the chairs back and clean up all the junk left after our shows, etc etc - it takes a village! And I thank you all!

We have accomplished:

- Gotten through the pandemic and had our second show during the pandemic without community spread.
- Our new Delegate Matthew Townsend has built a website that is searchable for his minutes and all things going on in the Delegate Body and AKC world. Give it a try. I did have to ask for permission, so Matthew knows I am reading.

- Ricki Selveria has set up and guided us through our first Zoom meeting that was filled with laughter, I will not say any more, but it was FUN!
- I have already identified a speaker for our next Zoom! Anyone interested in starting or propelling a New Specialty Club? Do you know how many specialties a specialty club can have a year? What is the difference between a concurrent/designated/independent specialty? This one is for you!
- We are working on draft dog rules, anyone have any interest in reviewing? Let me know, the more eyes the better!
- Laura Rader, after recovering from the show, will be working on the next CWGA Canine Education & Health Day. If you have not attended, you missed a ton of information and a lot of fun.

WAY TO GO CLUB MEMBERS!

If you wish to become involved, just say the word. Until then, see you at the shows!

Cathy Rubens

From Our Show Chair

As this year's Show Chair, I would like to say thank you

- To Cathy Rubens for all her guidance and help...could not have done it without you.
- To Sherry for driving hours to come sit at the catalog table, thank you.
- To Tara Fowler who came to the show with me, volunteered her time as a non member. She did anything she was asked to do. She is applying to become a member. Thank you, Thank you.
- To Richard Rogers for helping with the chairs and I'm sure other things I can't think of right now.
- To Laura Rader...the exhibitors LOVED the buckets!!! They were a hit! Towels too! Thanks for making us look spectacular!
- And to all those behind the scenes, thank you.

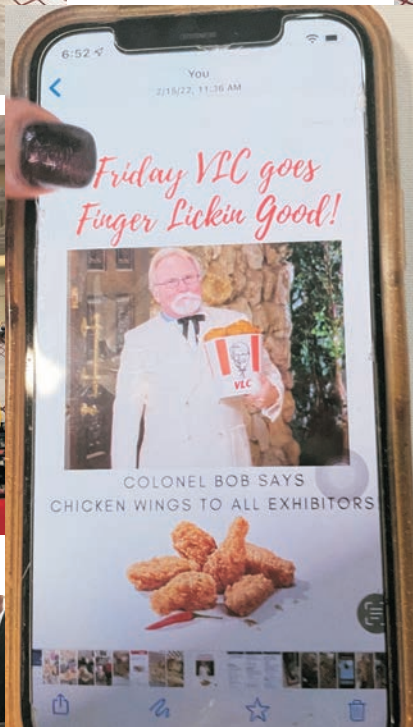

Francine Brown
