(Ord. 919, Sec. 9; Code 1992)

2-113. ANIMAL CONFINES; SHELTERS. (a) It shall be unlawful for any person to keep or maintain any animal in any yard, structure or area that is not clean, dry and sanitary, free from debris and offensive odors that annoy any neighbor, and devoid of rodents and vermin.

approval of the health officer. The health officer shall waive this standard for domestic animal holding operations where such animal holding is longer than 24 hours for any domestic animal involved or where dirt lots are more appropriate to the proper care of cattle, horses or sheep.

(i) Solid wastes accumulated from the cleaning of animal shelters and holding pens maintained by persons subject to a commercial, industrial or agricultural permit according to the terms of this chapter shall be stored on concrete slabs or other facilities, such as dirt lots on which is stockpiled manure with an exposed perimeter as approved by the health officer; provided that all solid waste shall be properly disposed of at least once each week or as may be approved by the health officer.

(Code 1992)

2-114. DEATH OF ANIMALS. All dead animals shall be disposed of by the owner or keepers within 24 hours of the animal's death, by burial, incineration in a facility approved by the animal control officer, by rendering or by other lawful means approved by the animal control officer. No dead animal shall be dumped on any public or private property. (Code 1992)

2-115. VICIOUS ANIMALS. (a) Prohibited: It shall be unlawful for any person to keep, possess or harbor a vicious animal within the city. Impoundment of animals whose owners have been cited for violation of this section shall be at the discretion of the animal control officer. If the animal presents a clear and present danger to the public health or safety, it shall be the duty of the animal control officer or his or her agent to impound such animal.

(b) Defined: For purposes of this chapter a vicious animal shall include:

(1) Any animal with a known propensity, tendency or disposition to attack unprovoked, to cause injury or to otherwise endanger the safety of human beings or domestic animals; or

(2) Any animal which attacks a human being or domestic animal without provocation;

(3) Any animal owned or harbored primarily or in part for the purpose of fighting or any animal trained for fighting;

(4) Any animal which is urged by its owner or harborer to attack, or whose owner or harborer threatens to provoke such animal to attack, any law enforcement officer while such officer is engaged in the performance of official duty.

(c) Complaint: Whenever a sworn complaint is filed in the municipal court against the owner of an animal alleging that such animal is vicious and in violation of this section, the municipal judge shall hold a hearing to determine whether or not the animal is vicious within the meaning of this section and thereby in violation of this section. The owner of the animal shall be notified in writing of the time and place of the hearing at least one week prior to the hearing. In making a determination, the municipal judge shall consider the following:

(1) The seriousness of the attack or bite;

(2) Past history of attacks or bites;

(3) Likelihood of attacks or bites in the future;

(4) The condition and circumstances under which the animal is kept or confined;

(5) Other factors which may reasonably relate to the determination of whether or not the animal is vicious.

The municipal judge shall order the impoundment, the muzzling in accordance with subsection (d) and/or the confinement of the animal accused of being in violation of this section in a manner and location that will insure that it is no threat to persons or other animals pending the outcome of the hearing. If such impoundment, muzzling or otherwise safe confinement is not possible or if prior court orders to restrain such animal have gone unheeded, the municipal judge may order the animal immediately destroyed.

(d) Vicious Dogs to be Muzzled: It shall be the duty of every owner, keeper or harborer of any dog in the city, which dog is vicious or has been known to bite, chase, or run after any person or animal in the streets, alleys, or any public place in the city, to keep the same muzzled with a good and sufficient wire or leather muzzle, securely fastened so as to wholly prevent such dog from biting any animal or person until such time as a determination has been made by the court as to whether the dog is vicious or not. Any person owning, keeping or harboring any dog within the city limits contrary to this section shall be guilty of a violation of this code.

(e) Immediate Destruction: Nothing in this chapter shall be construed to prevent the animal control officer or any law enforcement officer from taking whatever action is reasonably necessary to protect himself or herself or members of the public from injury or danger, including immediate destruction of any vicious animal without notice to the owner.

(f) Release of: If a complaint has been filed in the municipal court against the owner of an impounded animal for a charge under this section, the animal shall not be released except on the order of the municipal judge, who may also direct the owner to pay all impounding fees in addition to any penalties for violation of this chapter. The municipal judge may, upon making a finding that an animal is vicious or that it represents a clear and present danger to the citizens or to other animals in the community, order the animal to be destroyed in a humane manner by the animal shelter. Surrender of an animal by the owner thereof to the animal control officer does not relieve or render the owner immune from the decision of the court, nor to the fees and fines which may result from a violation of this section. (Ord. 917, Sec. 3; Ord. 919, Secs. 7, 16; Code 1992)

2-116. **RUNNING AT LARGE.** It shall be unlawful for any person to willfully allow any animal or fowl under his or her control to be or to run at large within the city. Any animal or fowl found at large shall be impounded as provided in section 2-117 or 2-207 (dogs). This section shall not apply to cats. (Ord. 917, Sec. 1; Code 1992)

2-117. **IMPOUNDMENT; FEE; NOTICE; RECORD.** (a) The animal control officer or law enforcement officer shall impound any animal or fowl found at large in the city or constituting a nuisance or otherwise in violation of this chapter in a suitable pound or enclosure provided or contracted for by the city. The impounding officer shall make diligent inquiry as to the owner of the animal and shall notify the owner thereof of such impoundment as soon as reasonably possible.

(b) The city shall be entitled to receive from such owner an impoundment fee of \$6 plus the actual cost of feeding and maintaining the animal while impounded.

(c) In case the identity of the owner of the impounded animal or fowl cannot be ascertained, the animal control officer or police officer shall, upon taking any such animal into custody and impounding the same, make a record thereof, with a description of the animal and the date and place taken into custody and the place

of impounding, and shall thereupon immediately post a public notice stating that the animal, describing the same with the date and place of taking, has been taken up, and that unless the charges of impounding the same, together with any license fees due and unpaid, are paid within three business days from the date of the notice, that the animal will be disposed of as provided in this code.

(d) The animal control officer shall each month submit a report to the governing body showing the number of animals impounded and disposed of, and the fees collected pursuant to this article and shall pay those fees to the city clerk for credit to the general operating fund.  
(Code 1992)

2-118. REDEMPTION OF IMPOUNDED ANIMALS. At any time before the sale or destruction of any animal impounded under the provisions of this article, except for animals impounded under sections 2-115 (vicious) and 2-119 (rabid), the owner thereof may redeem the animal by paying the animal control officer or any person in charge, the impounding fee and all costs incurred as a result of such impoundment. (Code 1992)

2-119. IMPOUNDMENT OF RABIES SUSPECTS. (a) Any law enforcement officer or local health officer may take up, upon private or public property, any animal which has bitten or scratched a person or other animal and impound the animal in the city pound, securely penned and separated from other animals, or in a veterinary hospital or animal care facility for a period of not more than 30 days during which time the local health officer shall determine whether or not such animal is suffering from a disease and, if not, the local health officer shall authorize the release of the animal upon payment by the owner of the boarding fee therefore. The health officer may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. Impoundment costs shall be borne by the owner. If in the opinion of the local health officer symptoms develop justifying a microscopic examination, then the animal shall be killed and examination made by the state board of health.

(b) In lieu of the provisions of subsection (a), the owner of any such animal may, at his or her own expense, take such animal to any duly qualified and licensed veterinarian in the city for observation. Such veterinarian shall report his or her findings in writing to the local health officer. If in the opinion of such veterinarian a microscopic examination is justified, then the animal shall be turned over to the animal control officer or any law enforcement officer to be killed and examination made by the state board of health.

(c) Any animal desired for observation by the local health officer under this section shall be delivered to the animal control officer or any law enforcement officer upon demand and shall not be withheld, hidden or harbored. Any person violating this provision shall be guilty of a violation of this code. Upon refusal of any person to so deliver such animal, the municipal judge shall cause a warrant to be issued for the arrest of such person, which warrant shall also provide for the surrender of the animal and shall be lawful authority for the apprehending and forcible taking of such animal.  
(Ord. 919, Secs. 5:6, 8; Code 1992)

2-119A. IMPOUNDMENT OF RABIES SUSPECTS. Any law enforcement officer or local health officer may take up, upon private or public property, any animal which has bitten or scratched a person or other animal and impound the animal in a

veterinary hospital or animal care facility for a period of not more than 30 days during which time the local health officer shall determine whether or not such animal is suffering from a disease and, if not, the local health officer shall authorize the release of the animal upon payment by the owner of the boarding fee therefore. The health officer may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. Impoundment costs shall be borne by the owner. (Ord. 919, Secs. 5:6, 8; Code 1992)

- 2-120.           **ANIMALS BITTEN BY RABID ANIMALS.** Whenever a dog, cat or other animal is bitten by a rabid animal or an animal later proved to have been rabid, it shall be the duty of the owner of the animal that is bitten, to report that fact to the local health officer and/or the police department. It shall also be the duty of the owner of the bitten animal to either destroy or have his or her bitten animal destroyed unless:
- (a) The animal which was bitten had been vaccinated against rabies at least three weeks before being bitten and has a current vaccination; and
  - (b) If the bitten animal has a current vaccination, it shall be confined for 90 days; and
  - (c) The bitten animal shall be released from confinement only upon written order from the local health officer, who declares the animal to be free of rabies; and
  - (d) If the animal is found to have contracted rabies during confinement, it shall be properly disposed of.
- (Code 1992)
- 2-121.           **VEHICULAR ACCIDENTS INVOLVING ANIMALS.** Any person who as the operator of a motor vehicle strikes any animal shall stop at once and shall immediately report such injury or death to the owner of such animal, or in the event that the owner cannot be ascertained, and located, the operator shall at once report the accident to the animal control officer or any law enforcement officer. (Code 1992)
- 2-122.           **EMERGENCY; PROCLAMATION.** The mayor is hereby authorized whenever in his or her opinion the danger to the public safety from rabid animals is made imminent to issue a proclamation ordering all persons owning any animal in the city to confine the animal in a good and sufficient enclosure from which the animal cannot escape, or fasten such animal by means of a chain on the premises where the owner may reside, for such time as may be specified in such proclamation. Any animal not confined during such time may be disposed of wherever found by any police officer, or the animal control officer of the city. The owner of such animal shall be prosecuted for such violation thereof. (Code 1992)
- 2-123.           **KENNEL LICENSES.** (a) No person or household shall own or harbor more than 10 dogs of six months of age or older or more than one litter of pups, or more than 10 cats of more than six months of age or more than one litter of kittens, or more than a total of 10 dogs and cats more than six months of age in any combination, or engage in the commercial business of breeding, buying, selling, trading, training, or boarding cats or dogs or both cats and dogs, without having obtained a kennel license from the city clerk.
- (b) Kennel licenses must be renewed annually. No kennel license shall be issued until an inspection certificate has been issued by the animal control officer

certifying approval of the kennel and compliance with the applicable laws of the city and the State of Kansas, and a certificate by the zoning code enforcement officer has been issued certifying that the applicant for the kennel license is not violating zoning laws of the city. If the city clerk has not received any protest against the kennel, the city clerk may issue a renewal of an existing kennel license at the same location without any report from the animal control officer and zoning code enforcement officer. If the animal control officer or the zoning code enforcement officer finds that the holder of any kennel license is violating any zoning law, or any other law of the State of Kansas, or of the city, or is maintaining the facility in a manner detrimental to the health, safety or peace of mind of any person residing in the immediate vicinity, he or she shall report such fact to the city clerk, and the license shall not be renewed except after a public hearing before the governing body.

(c) The animal control officer, the zoning enforcement officer, or any law enforcement officer shall have the right to inspect any premises licensed under this section at any reasonable time and nothing shall prevent the entry onto private property for the purpose of inspection. The application for a kennel shall constitute consent to such entry and inspection.

(d) The governing body may suspend or revoke a kennel license if, pursuant to a public hearing, it finds any of the following:

(1) The kennel is maintained in violation of any applicable law of the State of Kansas, or of the city.

(2) The kennel is maintained so as to be a public nuisance.

(3) The kennel is maintained so as to be detrimental to the health, safety or peace of mind of persons residing in the immediate vicinity.

(e) The annual kennel license fee shall be \$75. Payment of such license fee is in addition to, and not in lieu of, the dog license fees otherwise required under this chapter.

(f) This section shall not apply to and will not be construed to require a kennel license for a licensed veterinarian to operate an animal hospital. (Ord. 919, Sec. 3; Code 1992)
