

SOUTHERN VERMONT SWIM LEAGUE

RULES OF CONDUCT FOR COMPETITION

(revised fall 2010)

GENERAL

All competitions held as part of the Southern Vermont Swim League schedule, as approved annually by the Board, shall be governed by the current USA SWIMMING RULES AND REGULATIONS, unless otherwise specified in this Handbook.

SPORTSMANSHIP

Good sportsmanship is an integral part of SVSL swimming. All swimmers, coaches, officials and spectators shall conduct themselves in an appropriate and respectful manner at all times during SVSL competitions. Acts of unsporting or unsafe conduct will not be tolerated and may subject the responsible individual(s) to ejection from the competition area. Final decision will be made by the Meet Director or the Head Referee. This includes the use of obscene or vulgar language by coaches, athletes, institutional representatives, parents, and others.

COACHING

It is recommended that coaches at SVSL competitions hold current certification in American Red Cross Safety Training for Coaches or equivalent and/or lifeguarding, CPR, and first aid.

RULES OF CONDUCT FOR COMPETITION

PART I: DUAL/TRI MEETS

SCHEDULE

The annual meet schedule will be finalized by the Board of Directors at the January meeting. Dual/Tri meets may be rescheduled at the discretion and mutual agreement of the teams involved.

ELIGIBILITY

In order for swimmers to be considered eligible to represent their respective team(s) in SVSL dual/tri meet competitions, they must:

1. Be considered a member in good standing by the team that they will represent.
2. Have a current medical release signed by a parent or guardian on file with their team.
3. On or by the first Tuesday of July each team must submit, via e-mail, its complete Hy-Tek roster with names, ages, birthdates, etc. to the League Secretary.
4. An eligibility committee will be assigned by the League President to review all requests to add swimmers after the official roster cut-off date. The committee's decision is final. Any swimmers approved still must participate in the required two (2)-league-meet-minimum prior to competing in the SVSL Championships.

REPRESENTATION

1. Swimmers may represent only one (1) SVSL team in intra-league competition on any given date.
2. Swimmers may transfer to another SVSL team and be eligible to represent them immediately and without penalty. To represent a team at the SVSL League Championship Meet, a swimmer must satisfy the eligibility requirements in order to compete as a representative of the team with which that swimmer registers for the Championship Meet.

PROGRAM

1. The suggested official order of events shall be as set forth in Schedule A.
2. Deletion of any event(s) may be made only by the mutual consent of both head coaches and/or meet managers.
3. Unofficial events may be added to the program by the host team, but may only be swum after the competition of all official events. Unofficial events must be agreed to by both teams involved and may not be scored. Any addition of unofficial events must be communicated to the

visiting team's primary contact at least 24 hours prior to the time of the exchange of the team entry files.

4. The home team shall provide, by email, the event file at least 48 hours prior to the start of the meet

5. Regular season official swim meet start and warm-up times will be as follows:

Weekday meet: 4:30 PM Warm-up/5:00 PM Start

Saturday meet: 8:30 AM Warm-up/9:00 AM Start

Sunday meet: 1:00 PM Warm-up/2:00 PM Start

Warm-up and Start times may be modified by the mutual agreement of the teams involved.

Warm-up and Start times for invitational meets shall be set by the host team.

CHANGE OF PROGRAM

At the Meet Manager's/Director's discretion, events may be combined by age, sex, and/or stroke. Often, as a result of the combined meet program or lack of entries in particular events, a swimmer may be entered to swim two events with fewer than four events between them; in these instances, the coach may request, from the Meet Manager and Meet Referee or Starter that the event be swum at a later time or that a short intermission, not to exceed five minutes, take place. Selection of the type of delay or rejection of the delay shall be at the sole discretion of the Meet Referee or Starter.

CANCELLATION OR POSTPONEMENT

1. Meets may be cancelled or postponed at the mutual consent of both head coaches prior to the start of the meet.

2. Should a meet or event have actually commenced, and in the judgment of the Meet Referee, Starter, or Meet Director (person in charge of overseeing meet safety) cannot safely be continued due to weather conditions, impending darkness, or other compelling reasons, the Meet Referee or Starter may suspend the meet until conditions warrant continuance.

3. In the event that a meet is suspended by the Meet Referee/Starter/Director and then resumed, the meet shall continue from the point at which it was suspended.

4. In the event that a meet is suspended by the Meet Referee/Starter/Director and not resumed, it shall be considered officially completed if all heats at the fifty-percent point of the meet have been completed.

5. Any decision to cancel or postpone a meet by the Meet Referee/Director/Starter will be final.

6. Postponed meets are to be rescheduled within one (1) week, if possible.

7. In the event that a meet needs to be made up a new HyTek meet file will be created or downloaded for the rescheduled meet and new entries entered for all participating teams.

8. A forfeit for any reason will be counted as a loss.

LANE ASSIGNMENTS

There shall be no official swimming lane assignments. The Meet Manager computer program shall seed the meet.

ENTRIES

1. Individual - Each swimmer may participate in up to four (4) individual events and two (2) relays. Unofficial events shall not be counted toward this total.

2. Team - There shall be no limit to the number of swimmers that a team enters into an event.

3. Competing teams must simultaneously e-mail the Hy-Tek meet files at noon on the day before the meet or at a time agreed upon by the all teams in the meet. Swimmers added to the meet after the file exchange has taken place may swim, but only as exhibition with no points scored, although their time will be considered official.

4. All relays shall display the four swimmers being entered. If less than four swimmers are shown for the entry, that relay will be entered as exhibition only. A deck change may be made but only to substitute for a no-show swimmer and verification to the opposing team(s) that the substitute swimmer will not have swum more than 2 relays and 4 individual events.

AGE DIVISIONS

1. The eligibility of a participant for the particular age group shall be determined by his/her age on the day of the meet.

PROTEST JURY

1. There shall be a Protest Jury composed of the elected coaches' representatives, who is elected prior to the meet, the Meet Referee, and the Meet Director.
2. All protests made prior to or during the SVSL Championship Meet shall be submitted to the Meet Director within a half hour of the event.
3. Eligibility protests shall be heard by the Jury and a decision rendered, when possible, before the start of the events of the session in which the swimmer competes, but no later than the start of the following session.
4. Until the Protest Jury renders a decision in a protest of eligibility, the swimmer will be allowed to compete under protest. No announcement will be made to this effect, but the results of any race conducted under protest may not be announced, posted, nor points scored until the Protest Jury has returned a decision.
5. Equal opportunities shall be given for both the party lodging any protest and the party or parties charged to be heard by the Protest Jury.
6. The Protest Jury cannot adjudicate judgments by deck officials, which can only be considered by the Meet Referee under Section 102.11 of USA Swimming Technical Rules.
7. The decision of the Protest Jury is final.
