

Hello Fellowship Community:

As per the petition requesting an effort toward reconciliation prior to a vote regarding your Fellowship Minister's employment, Pinnacle Leadership Associates (referred to the us through the ICCC) will be visiting the Fellowship Saturday, November 18th and Sunday, November 19th, 2017. Rev. Mark Tidsworth, President of Pinnacle, will be conducting the sessions. The Executive Committee is encouraging everyone to participate in listening groups on Saturday. Following the 11am worship on Sunday, Rev. Tidsworth will offer a congregational feedback session and presentation.

We request that you please contact the office via 865-494-7131 or norrisreligiousfellowship@comcast.net with your Saturday (11/18) availability for a 1-hour listening group session in the morning, afternoon, or dinner hour. **We will do our best to accommodate everyone's schedules.** We anticipate your willingness and participation so that all voices are heard. In addition to this e-mail we will also make phone calls and post information online.

Again, we will have Listening Groups on Saturday, 11/18/17 and Worship followed by a feedback session presentation on Sunday, 11/19/17. Working together to sustain this Fellowship community, we do hope you will be part of this process.

Rev. Karen Neely
Fellowship Minister
