AMA District 6 Scholarship Award – Seniors and Above (graduating spring 2018) Minimum of \$500

The scholarship varies slightly from the award in that it is awarded only to a senior and the recipient will be awarded monetary compensation to be used towards their post-secondary education endeavors in the next school year. Differing from the academic award, the scholarship does not bring District 6 results into consideration as criteria for the award winner.

Seniors and beyond that are attending or planning on attending a college or post secondary education institute must submit proof of GPA.
