

Clinique Rejuvenation of San Diego, the fusion of an Aesthetic Surgery Center, Wellness Center and true Medical Spa, offers a unique experience to its clients. Our extraordinary combination of services allows us to provide a myriad of procedures and procedure combinations—for the sole purpose of improving each client's health and self-image from the inside out, in one deliciously luxurious environment. Each client's needs are treated on an individual basis, following a customized strategy conceived by our group of experts; which includes surgeons, dermatologists, anti-aging physicians, and health care practitioners. This team of specialists analyzes each individual case to determine the most appropriate treatment plan, specific to that individual's needs, expectations, and desires—continually keeping the comfort and well-being of each client in mind.

We offer a beautifully tranquil, resort-style atmosphere where genuine concern and discretion for each client is paramount. Every member of our staff is an experienced professional, dedicated to providing first-class service at all times. We hold ourselves to the highest standards of excellence, to ensure an amazing experience for every client that wishes to indulge in our services. We look forward to the privilege of serving you!
