WORK AHEAD

2019 Annual New Jersey Work Zone Safety Conference

Friday

April 05, 2019

8:30 am to 2:30 pm

Registration at 7:30 a.m.

Rutgers University
Livingston Campus Student Center
84 Joyce Kilmer Road
Piscataway, NJ 08854

REGISTRATION

Registration is free, but required at
cait.rutgers.edu/cait/events >>

For more information, contact Barbara Morgan
at barbara.morgan@soe.rutgers.edu or Dave
Maruca at dem200@soe.rutgers.edu

The New Jersey Work Zone Safety Conference promotes work zone safety awareness in local and state roadways for a multi-disciplinary audience of construction, engineering, public safety, and maintenance and operations personnel.

This year's event will feature a presentation on OSHA compliance for work zone safety inspections; an in-depth review of personal protective equipment compliant and non-compliant work zone safety vests, including some relatively recent changes by the American National Standards Institute (ANSI); and a segment on data-driven decision making for smarter work zones. The keynote presentation will be delivered by a retired Pennsylvania State Trooper who survived a horrific struck-by crash- he will highlight the dangers that all road workers are exposed to on a daily basis. The conference will conclude with an afternoon presentation that examines the use of drones in work zones and how this technology can increase safety when engaged in road work projects.

As part of the program, the New Jersey Work Zone Safety Excellence Awards will be presented to recognize inspiring efforts of individuals, companies and roadway agencies that have demonstrated effective temporary traffic control in planned work zones on New Jersey roadways.

This event is developed with support from the
New Jersey Division of Highway Traffic Safety,
New Jersey Department of Transportation, and
the Federal Highway Administration.

PROFESSIONAL CREDITS

The 2019 Annual New Jersey Work Zone Safety Conference offers PDH and DCA CPWM credits (pending).
