# Birding at Borderland!

**Sunday, September 17 8:30am-10:30am**  
**Visitor Center**

The early bird gets the worm! Join Ranger Darren and veteran birder James Sweeney early Sunday morning as we search for migrating shorebirds and perching birds at Borderland. A number of species are passing through this area on the way to their wintering grounds in Mexico and South America, and we will attempt to spot them on our hike to the pond and fields beyond! Meet in front of the Visitor Center. Bring binoculars, bug spray and hiking shoes. A limited number of binoculars will be available and shared for those without a pair. Rain will postpone (rain date Sunday, September 24). For more information, call 508-238-6566.
