

EXPRESSION OF INTEREST: BLUE PRINT CONSTRUCTION (BPCventures.com) HEREBY PRESENTS OUR NEWEST FINANCIAL INSTITUTIONS SUPPORT AND PARTANERSHIP IN OUR DESIRE TO TRADE WITH OUR UNITED STATE CLIENTS IN A WIDESPREAD OF CONSRUCTION PROJECTS AND SERVICES.

BPC does business within Houston, Texas in the interest of supporting local and national businesses entity throughout the United States, we provide services that help acquire the necessary financial support to a widespread of construction projects, including but not limited to; Commercial, industrial and residential, engineering and architectural design, construction plans and specifications, project management and general contracting, construction and fabrication of steel supported structures of all types both onshore and offshore, renovations and repairs.

We are interested in supporting sound investment opportunities through the promotion of American Manufactures Products and Services, BPC financial partners are ready to provide financial support for construction and engineering project of all types throughout the United States.

It is our intention to demonstrate BPC and our financial partners' desire to work with (private developers or individual business sector) in the purchasing of construction or agricultural equipment, business working capital, and or construction projects/services to United States buyers.

- We provide answers to non-traditional financial complexities in local and nationwide trading. Our overall aim is to articulate ample financing solutions for small business development for public and private sector projects in both mature and emerging economies.
- We allow credit terms to be availed for (SBA) loans business projects with payment periods ranging from 3 to 10 years. Project sizes: small – up to \$5 million; medium - \$5 to \$100 million; large size – over \$100 million, financing is usually availed for up to 80% of the total project value.

- All applicants must provide 3 years personal or business financial statement from your bank or verifiable financial history.

BPC policies and practices recommend only one financing partner per project, unless the project size is too large for one partner, therefore we shall always seek the consent of the primary partners before the involvement of other partners outside of the contracted projects agreements. We fully respect the rights and confidentiality information surrounding our partners and clients.

BPCventures is the project's coordinators, consulting agent and preferably the general contractor, NOT THE FINANCIER, but do reserve the right to all projects negotiations in the interest of both the financing partners and the clients.

We provide more detailed information at (www.BPCventures.com) in the interest of full project support, the staff at BPC wishes you a successful project experience and thanks for your business.
