

2013 Jefferson County 4-H Fair Sponsorship Opportunities

An opportunity to:

- Support local youth grow through 4-H
- Support a long running community tradition
- Get your business / organization in front of large crowds of local families enjoying the fair events.

The Jefferson County 4-H Fair Board is offering opportunities for the community to help sponsor the annual fair. As you know the Jefferson County Fair is a tradition as American as baseball and apple pie, giving the whole community a chance to come together. As a 4-H event, our fair also gives our local young people a chance to learn responsibility, the value of hard work, have fun, gain self-confidence, and make new friends through arts, crafts, technical and livestock projects, while being guided by caring adults. Close to 600 young people participate and over 100 civic minded community members work to put on this event and support 4-H. Yearly, 30,000 people visit the Jefferson County Fair. The annual fair has been one of most anticipated social events in the county for over 60 years. The fair offers a chance for city kids (of all ages) to get up close to real farm animals and everyone an opportunity to feast on a variety of fine foods, enjoy entertainment in the grandstand, pavilion, and midway, show off new babies, or just see old friends.

As we all know, the rising cost of just about everything is making it more difficult each year to put on the same quality of activities that the community has come to expect as well as maintain the facilities and grounds. This year we would like to again offer area businesses and organizations the chance to help us offset our rising costs and at the same time receive visible recognition at the fairgrounds during Fair Week.
