BREAKFAST WITH *Santa!*

The Lakewood Forest Fund volunteer Board members hosted our annual “Breakfast with Santa” event Saturday, December 5, at the LRC. With a wonderful turnout, many children were able to meet Santa. A huge shout-out to Lt. Garza and officers of our Precinct 4 constables for personally escorting Santa to LRC on a high-water vehicle where he had the opportunity to visit with youngsters. The weather was perfect for an outdoor event. It was a lovely morning for all who attended. If you missed this, don’t worry, Santa will be back next year.

The LFCA thanks those residents who have already paid their dues.

The Lakewood Forest Civic Association is an independent, non-profit neighborhood association run by an elected board of homeowner volunteers who work toward making Lakewood Forest a nice place to live, enjoy, and raise a family.

Your \$10 voluntary membership dues go a very long way! With that \$10 the Civic Association offers the following:

- Events including the Easter Egg-stravaganza, the July 4th Patriotic Parade, Neighborhood Night Out, and the Community Garage Sale
- Publications including the monthly *Civic News* newsletter, the Residential Directory and the Newcomers' Guide
- Projects including Military Care Packages and Student Scholarship Awards
- Neighborhood improvements such as Curb Number Painting
- Donations to our local public schools, the Lakewood Lightning swim team, the Lakewood Forest Garden Club and Cy Creek EMS

Residents who want to voluntarily join the LFCA for the fiscal year that began on September 1, 2020 and runs through August 31, 2021, need to pay for this membership by including the \$10 donation on the Fund's invoice.

If you did not include the \$10 with your Fund payment and would like to join now, please send a check made out to "Lakewood Forest Civic Association" to LFCA, 13121 Louetta Road, PMB #1025, Cypress, TX 77429.

HOLIDAY POINSETTIA PLANT CARE

By Nikki Tilley

Watering Poinsettia Plants

Poinsettia care begins with proper light, water, and temperature conditions. During the holidays, while in full bloom, they typically enjoy semi-cool humid locations in bright, indirect light with plenty of moisture. Poinsettia plants should be watered thoroughly, taking care not to drown them by ensuring adequate drainage is available. Likewise, avoid letting them sit in water-filled saucers, which can lead to root rot. Adding plants nearby can help increase humidity levels in dry rooms, as will humidifiers. Once flower bracts have fallen, you have the option of discarding the plant or keeping it an additional year. For those choosing to continue with poinsettia care, decrease regular watering to allow the plant to dry out some. However, don't let it dry out completely. Also, relocate the poinsettia plant to a cool, dark area until spring or around April.

Fertilizing Poinsettia Plants

Fertilizing poinsettia plants is never recommended while they're still in bloom. Fertilize poinsettias only if you are keeping them after the holiday season. Apply fertilizer every two weeks or once monthly using a complete houseplant fertilizer. Provided the poinsettia plant is given the proper environmental conditions, it should begin to regrow within weeks.

Poinsettia Care After the Holidays

In spring, return the plant to a sunny area and water well. Cut back all canes (branches) to about six inches from the pot's rim. It may also be a good idea to repot the poinsettia using the same type of soil. While poinsettias can be kept indoors throughout summer, many people choose to move them outdoors in a sunny, but protected, area of the flower garden by sinking the pot into the ground. Either way is fine.

CREATING MASTERFUL ROSE BEDS

Experts around the country agree that plants (including roses) perform best in planting beds where the right and best bed preparation measures have been implemented and maintained. Doing it right is neither complicated nor expensive but does involve a few things that help make the production of the bed more successful, including having correct irrigation in place.

Our speaker in January is Claude Graves, a Master Rosarian and officer of the Dallas Rose Society. Claude also serves on the American Rose Center's garden committee and advises the nation's rose garden on maintenance of that public garden. Claude also represents the Chambersville Tree Farm which houses a spectacular display of rambling roses. We look forward to seeing his bed building techniques in action.
