

Blankets & Bears Organization and Slumberland's 40 Winks Foundation has formed a partnership to help children get a healthy night's sleep. We will provide beds, mattress and warm blankets to children needing them the most. Quality of life starts with a good night's sleep, and every child deserves a bed to dream in.

Written Recommendation

Please describe the child in need of a new twin bed & mattress set. Our team will meet with the school, teacher or organization to assist in qualifying this child and approve for delivery.
