

Mason Creek
Hand Crafted Bluegrass

Founded in 2015, Mason Creek features four experienced artists of traditional bluegrass music. The Roanoke, Virginia based group features veteran performers, Gary John, guitar and vocals, Shannon Wheeler, fiddle and vocals, Glenn Scaggs, bass and vocals, and Brandon Dickerson, banjo and vocals.

In just a couple of years, Mason Creek has developed a nice traditional bluegrass repertoire. Their guitar, fiddle, banjo, and bass quartet is keeping a busy schedule, mostly in Southwestern Virginia.
