

Greetings from Georgia!

Hello everyone my name is Danny Jenkins and I am the American Gaited Mule Association Georgia State Coordinator.

As a state coordinator I am the go to guy for all of your information related to the American gaited mule association. Whether it be shows, rules, events, adding classes to your existing event, or any other questions you have about the gaited mules, AGMA and I are here to help.

We are also looking to add some AGMA affiliated shows to other equine related events. As State Coordinator, I would like to see us have a Georgia state championship class added to an event or maybe even start our own show.

So if you have any ideas, I would love to hear from you and share your ideas with others in AGMA. Another goal I have in sight for Georgia is to have the gaited mule exhibited in many community events or shows.

Let's show the world what wonderful and versatile animals we have in our mules, and let's start right here in Georgia.

Feel free to contact me anytime if I can help in any way. My e-mail address is goldengaitsfarm@tvn.net , day time phone # 423-605-0637.

Thank you in advance for your help, support and interest in gaited mules and the American Gaited Mule Association.

Sincerely,

Danny Jenkins
