

# GILBERT FFA BOOSTER SPONSORSHIP INFORMATION

The Agricultural Proficiency, Speaking and Star Award plaques listed on the previous page are 7" x 9" or larger. The name of the student recipient is engraved on the plaque and the sponsor is announced during the awards presentation. **The sponsorship of these awards is \$25.00 each.**

FFA Pins / Medallions are also awarded for several areas such as Officer Pins, Manager pins, Top Ten Member, CDE Pins, and other leadership award areas. The amounts vary and may be combined with other sponsorships to cover the award area.

The Arizona State FFA Leadership Camp promotes personal development, leadership abilities, building self-esteem, and provides motivation for FFA members. **The camp cost is \$250.00 for each member to attend the five-day event. Any contribution will help defray the cost for FFA members to attend.**

The "*Blue and Gold*" FFA jacket is worn with pride to all FFA functions. Unfortunately, some members cannot afford to purchase their own jacket. Therefore, the Gilbert FFA Chapter has several jackets that are lent to members for events and activities. The Alumni and Chapter also purchase jackets for the first place Creed Speaking Winner. **Jackets cost \$75.00.**

The FFA Scholarship Fund is attained from fund raising activities and donations. This year the Gilbert FFA Alumni / Booster Club will again present scholarships to senior FFA members to help further their education. Contributions in any amount are welcome.
