

**ARCHERY**

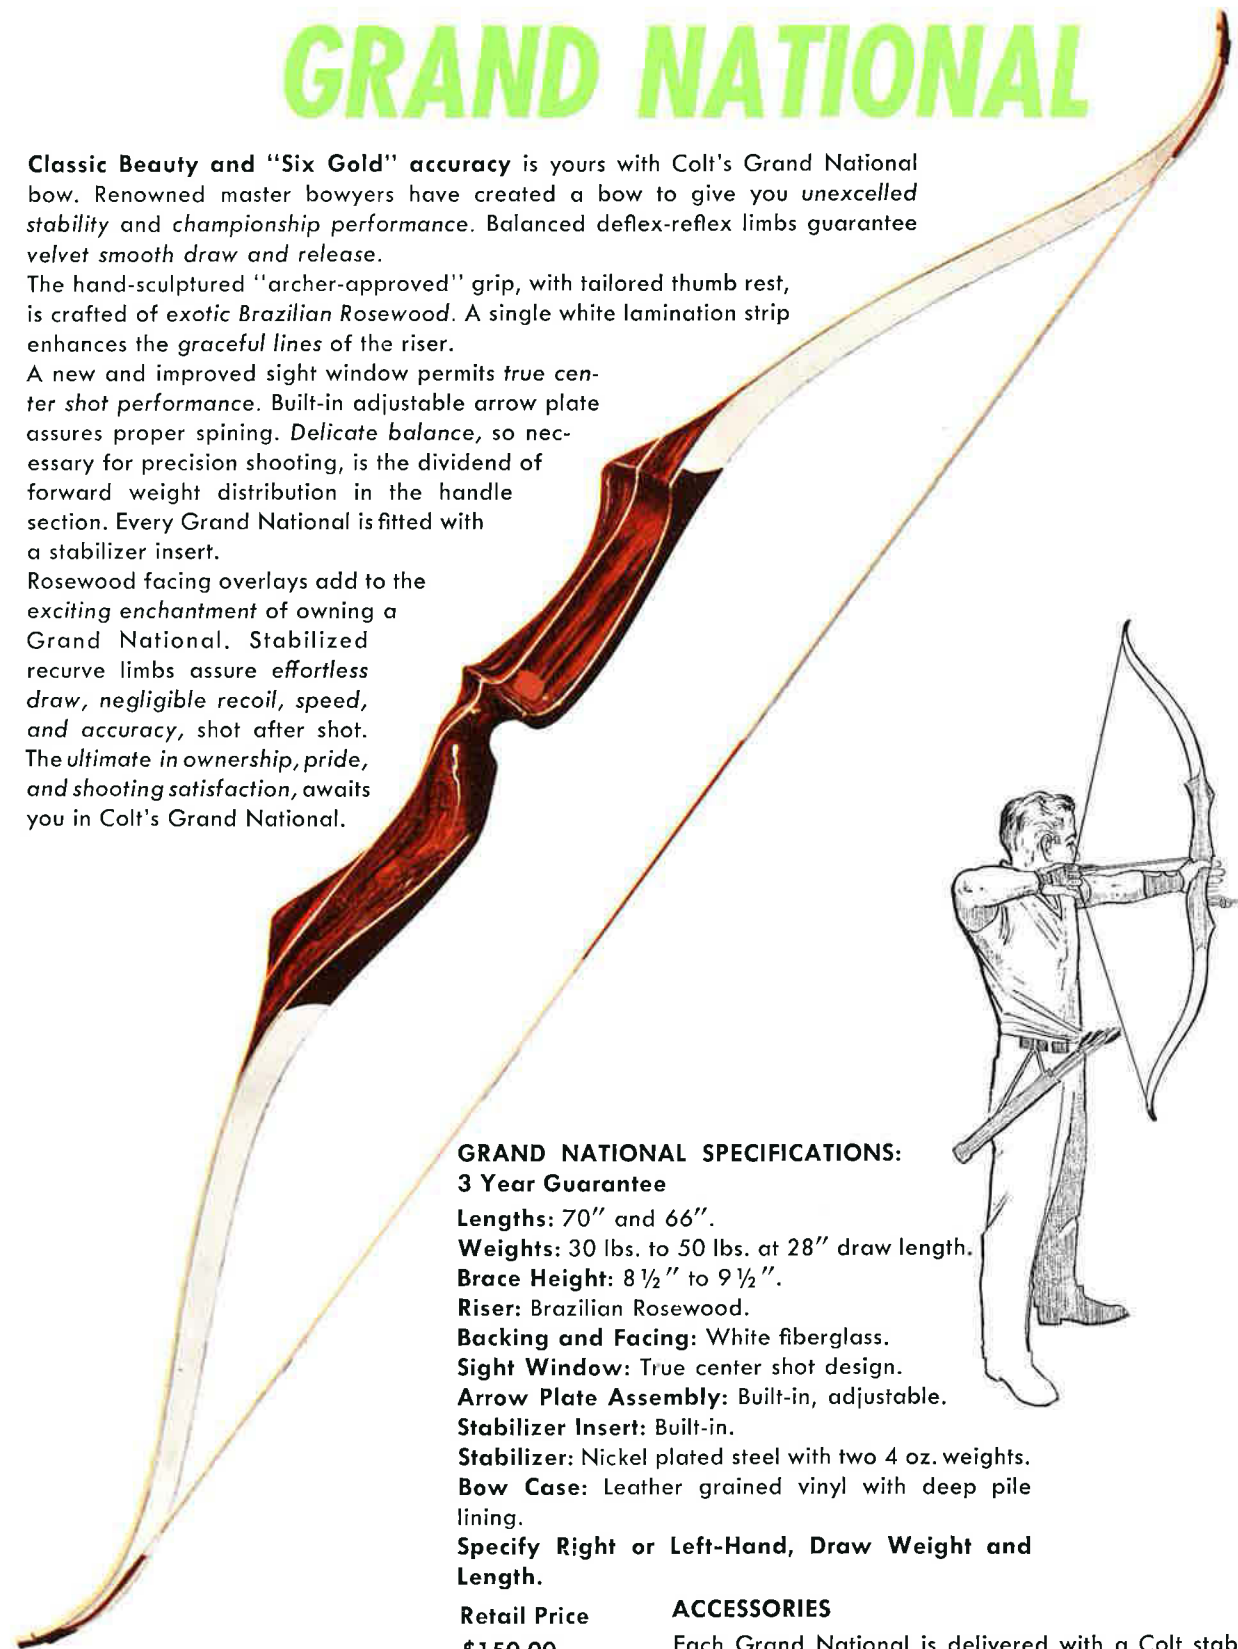

# GRAND NATIONAL

Classic Beauty and "Six Gold" accuracy is yours with Colt's Grand National bow. Renowned master bowyers have created a bow to give you unexcelled stability and championship performance. Balanced deflex-reflex limbs guarantee velvet smooth draw and release.

The hand-sculptured "archer-approved" grip, with tailored thumb rest, is crafted of exotic Brazilian Rosewood. A single white lamination strip enhances the graceful lines of the riser.

A new and improved sight window permits true center shot performance. Built-in adjustable arrow plate assures proper spining. Delicate balance, so necessary for precision shooting, is the dividend of forward weight distribution in the handle section. Every Grand National is fitted with a stabilizer insert.

Rosewood facing overlays add to the exciting enchantment of owning a Grand National. Stabilized recurve limbs assure effortless draw, negligible recoil, speed, and accuracy, shot after shot. The ultimate in ownership, pride, and shooting satisfaction, awaits you in Colt's Grand National.

## GRAND NATIONAL SPECIFICATIONS: 3 Year Guarantee

Lengths: 70" and 66".

Weights: 30 lbs. to 50 lbs. at 28" draw length.

Brace Height: 8 1/2" to 9 1/2".

Sight Window: True center shot design.

Arrow Plate Assembly: Built-in, adjustable.

Stabilizer Insert: Built-in.

Stabilizer: Nickel plated steel with two 4 oz. weights.

Bow Case: Leather grained vinyl with deep pile lining.

Specify Right or Left-Hand, Draw Weight and Length.

Retail Price  
\$150.00.

## ACCESSORIES

Each Grand National is delivered with a Colt stabilizer, with two 4 oz. weights, in an exceptionally fine bow case well padded with deep pile lining for added protection of your bow. Large zippered accessory pocket.

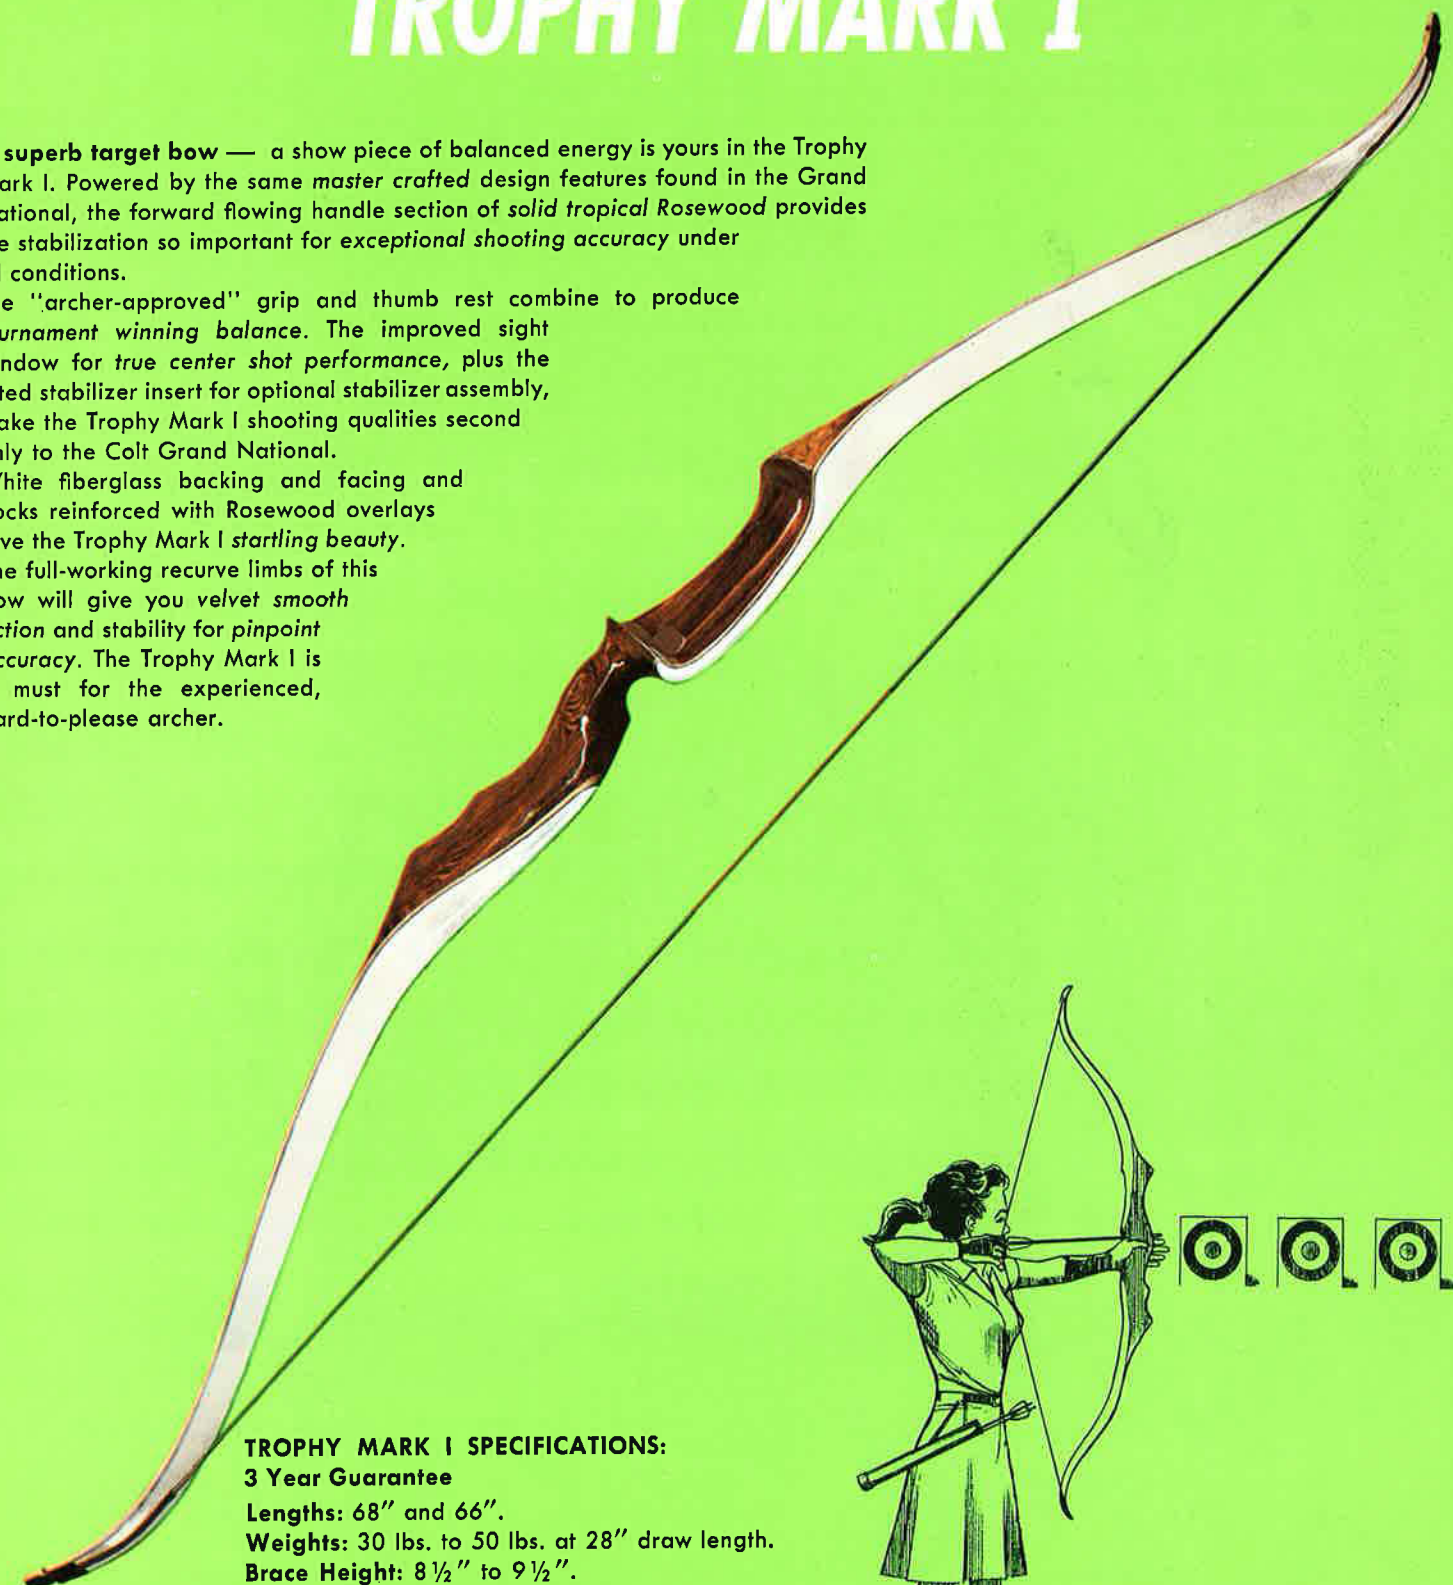

# TROPHY MARK I

A superb target bow — a show piece of balanced energy is yours in the Trophy Mark I. Powered by the same master crafted design features found in the Grand National, the forward flowing handle section of solid tropical Rosewood provides the stabilization so important for exceptional shooting accuracy under all conditions.

The "archer-approved" grip and thumb rest combine to produce tournament winning balance. The improved sight window for true center shot performance, plus the fitted stabilizer insert for optional stabilizer assembly, make the Trophy Mark I shooting qualities second only to the Colt Grand National.

White fiberglass backing and facing and nocks reinforced with Rosewood overlays give the Trophy Mark I startling beauty.

The full-working recurve limbs of this bow will give you velvet smooth action and stability for pinpoint accuracy. The Trophy Mark I is a must for the experienced, hard-to-please archer.

## TROPHY MARK I SPECIFICATIONS: 3 Year Guarantee

Lengths: 68" and 66".

Weights: 30 lbs. to 50 lbs. at 28" draw length.

Backing and Facing: Forest green fiberglass.

Finish: Satin non-glare.

Sight Window: Center shot design.

Arrow Rest: Felt.

Specify Right or Left-Hand, Draw Weight.

Retail Price \$61.50.

# PLAINSMAN

A ruggedly handsome all-around field or hunting bow. The integral stabilizer design, usually found only in more expensive bows, insures smoothness without recoil. Full recurve limbs make the Plainsman a "powerhouse" of action. A moderately priced bow for field or deer blind.

## PLAINSMAN SPECIFICATIONS: 3 Year Guarantee

Length: 60".

Weights: 35 lbs. to 60 lbs. at 28" draw length.

Brace Height: 7 1/4" to 8 1/4".

Riser: Cherry.

Backing and Facing: Black fiberglass.

Sight Window: Center shot design.

Arrow Rest: Felt.

Specify Right or Left-Hand, Draw Weight.

Retail Price \$42.50.

# PIONEER

A redesigned riser with integral stabilizer puts this bow at home in the field or on the range. With the strength and stability of more expensive bows, the Pioneer will give hour after hour of shooting pleasure. The beauty and smooth action of the semi-recurve limbs will make a hit with all who are new to the archery sports.

## PIONEER SPECIFICATIONS: 3 Year Guarantee

Length: 62".

Weights: 25 lbs. to 50 lbs. at 28" draw length.

Brace Height: 6 3/4" to 7 3/4".

Riser: Assorted hard woods.

Backing and Facing: Dark green fiberglass.

Sight Window: Center shot design.

Arrow Rest: Felt.

Specify Right or Left-Hand, Draw Weight.

Retail Price \$31.50.

# TRAILBLAZER

Teenagers and adults will enjoy sharpening archery skills with the Trail Blazer. The white Holly riser with semi-recurve limbs will excite the competitive instinct of all who shoot this fine, modestly priced bow.

## TRAIL BLAZER SPECIFICATIONS:

3 Year Guarantee

Length: 58".

Weights: 20 lbs. to 35 lbs. at 28" draw length (5 lb. increments).

Brace Height: 6 3/4" to 7 3/4".

Riser: White Holly.

Backing and Facing: Dark green fiberglass.

Sight Window: Center shot design.

Arrow Rest: Felt.

Specify Right or Left-Hand, Draw Weight.

Retail Price \$21.50.

# FIBERGLASS BOWS...

## COMMANDER™

Skilled engineering and precision manufacturing have combined to produce a ruggedly dependable bow for juniors or adults. Thousands of parallel glass fibers laminated under tension make the Colt Commander a powerful, yet nearly indestructible, field or hunting bow. Equipped with exclusive semi-pistol grip, the Commander may be used right or left-handed.

All prices in this catalog are subject to change without notice.

Since its beginning in 1836, the famous name Colt has meant the utmost in quality, dependability, and accuracy in a line of outstanding products. For 130 years, Colt's has served the people of the United States in defense and in recreational sports.

In more recent years, Colt's name has become synonymous with excellence in the field of archery. Colt's full line of archery tackle is a byword of tournament archers, field shooters, and hunters alike.

Significant of Colt's interest in and contribution to the sport of archery is their sponsorship of the U. S. Open Indoor Archery Championship. Presentation of the Colt Cup each year stands as the symbol of archery supremacy in the United States.
