

TOWN COUNCIL GRANT SCHEME – GUIDELINES FOR APPLICANTS

1. Groups within Mirfield can apply to the fund.
2. The Town Council Grant Scheme will support both capital and revenue projects
3. Groups will apply to the fund using the agreed application form.
4. Groups will be expected to supply accompanying documentation as detailed on the application form.
5. Groups can apply once per year but may bid for a number of elements of a project in the application.
6. Applications will only be considered by council at the second monthly meeting when Grant Applications will be on the agenda. Emergency applications will be considered at Chairs discretion.
7. All applications will be considered with regard to financial stability of the groups and judged on their own merits; particular attention will be given to the group clearly demonstrating the need for the project.
8. Where possible groups will be expected to make some form of contribution to the project. Applicants must attend the meeting at which the grant is being considered and give a presentation to support the application
9. Where partnership funding is being sourced outside of Mirfield, the council would wish to see that such funding has been secured prior to awarding a grant.
10. Applications will only be allowed one deferral.
11. The grant scheme is unlikely to cover:
 - Organisations that previously have received Mirfield Town Council grant aid but failed to adequately comply with grant conditions, unless evidence is sought and given that this will not re-occur.
 - Organisations that have already received a grant from the Council within the preceding 12 months. This excludes partnership funding.
 - Organisations or activities that support party political aims
 - Grant aid to individuals, unless the application is sponsored by a community group for the purpose of cultural exchange
 - Expenditure incurred before a grant has been formally awarded
 - Organisations with significant free uncommitted reserves
