

2018 Jacksonville Boosters Historic Home & Garden Tour

Saturday, May 5th & Sunday, May 6th
11am ~ 4pm

We encourage you to attend our biennial Historic Home & Garden Tour. These funds go toward supporting Club activities and Foundation grants that help preserve Historic Jacksonville.

The tour will include:

⇒ The Historic Jacksonville Courthouse, where City Hall is currently located. The park-like setting is available for all to pull up a piece of lawn and relax or have a picnic.

⇒ Take a trolley to 3 historic homes, 2 gardens and 1 modern home.

⇒ Finish your day at Daisy Creek Vineyard, where the owners have so graciously offered to provide three complimentary tastings once again, while learning about the history of the winery and winemaking. (Wine by the glass or bottles will be available for purchase.)
