

AWPOA EQUIPMENT INVENTORY

The equipment listed below is for use by all residents upon request. To request a piece of equipment, contact a member of the Maintenance Crew and they will deliver to you or arrange for you to pick up. When you are finished with the equipment, again let a member of the Maintenance Crew know they will instruct you how to return, **DO NOT PASS ON TO ANOTHER RESIDENT** (passing on makes it very difficult to keep track of equipment). Use of the John Deere Tractor requires that you have signed the regulation sheet for its' use, also there is a charge for each ¼ tank of fuel used (currently \$4.55 per ¼ tank). ¼ tank will be the minimum charge and in most instances this is all you will pay.

1. John Deere Tractor with the following attachments:

52 inch mowing deck
Front end loader – Bucket
Front end loader – Forks
Backhoe

2. Log Splitter

3. Trailer (2) a large and a small

4. Leaf Blower on wheels

5. Folding extension/step ladder

6. Manual Posthole Digger

7. Aluminum Rowboat (old but floats) with paddles.

8. Push Fertilizer Spreader
