April 8, 2009

Dear Nobles of the IASMC,

It gave me great pleasure to serve as President of the International Association of Shrine Motor Corp. for the 2008-2009 year. I would like to extend my sincere thanks to the officers and nobles of this organization who has helped this year to be one to remember.

Throughout this year I have done my best to visit as many motorized units as possible and to encourage my officers to do the same. I have made a lot of new and lasting friendships across this nation. None of which I shall forget.

Thanks to Omar Shrine Center and the Omar Motor Corp. for an enjoyable and successful Mid-Winter meeting in Charleston. Peggy and I were proud to have so many of you there enjoying yourselves. Even Imperial Sir Jim Cain and his lady Patsy commented on the wonderful time they had.

Arrangements for the competition and banquet have been made for Imperial Session in San Antonio. Peggy and I are looking forward to seeing each of you in Texas.

Yours in the Faith,

R. Medd Box P.P.

MEMBER
MOOLAH SHRINERS
ST. LOUIS, MISSOURI

Welcome to the IASMC Annual Meeting

It is with great enthusiasm that I welcome you to beautiful San Antonio, Texas, for the International Association of Shrine Motor Corps Annual Meeting!

As Imperial Potentate, I have been doing my best to share my theme, “Catch the Spirit,” with as many people as possible. Members of this great fraternity enjoy a lifetime of fun and fellowship while supporting a one-of-a kind health care system, Shriners Hospitals for Children. I believe in this organization and the positive influence it has on our patients, their families, our families and the world.

While you make plans for the future of your association, please keep my theme, “Catch the Spirit,” at the forefront of your mind. With your help, we can attract more members to the Shriners fraternity and keep our philanthropic mission thriving for another 86 years and beyond.

On behalf of Lady Patricia and myself, enjoy the meeting!

Sincerely,

Douglas E. Maxwell
Imperial Potentate, Shriners International

Imperial Potentate Douglas as E. Maxwell I

STATE OF TEXAS
OFFICE OF THE GOVERNOR

Greetings:

As Governor of Texas, I welcome all in attendance to Shriners International's 135th Imperial Council Session.

In Texas, we have strong traditions of generosity, compassion and lending a helping hand to our neighbors. These are tenets also embraced by the Shriners, who, for decades, have shown an enduring commitment to the well-being of their communities. Whether it is your support for the Shriners Hospitals for Children or your many other philanthropic endeavors, the Shriners truly are creating a better future for people in the United States and abroad.

To those from out of town, I know you will enjoy San Antonio. From popular landmarks like the Alamo and River Walk to fine dining and professional sports, this diverse city has something for everyone to enjoy.

First Lady Anita Perry joins me in hoping you all have a wonderful event.

Sincerely,

A large, stylized handwritten signature in black ink that reads "Rick Perry". The signature is written in a cursive, flowing style.

Mid winter membership meeting.
Minutes March 26th, 2009
Omar Temple Mt Pleasant SC

The meeting was opened at 10 AM with an invocation given by Imperial Sir Jim Cain. The Shrine pledge of allegiance to the flag was lead by President Elect Woody Woodward. President Medd Box thanked everyone for coming to the meeting. He commented that the weather may cause cancellation of the scheduled cruise due to small craft advisory for the bay. President Box asked for the roll call. Present were: President Medd Box, President Elect Henry "Woody" Woodward, 1st Vice president Jim Mitch, 2nd Vice President David Vaughn, 3rd Vice President Rick Landers, Secretary Treasurer John Anderson, Also present was Imperial Outer Guard, Jim Cain. and Historian Jack Knight. President Box asked for a reading of the minutes of the last meeting. They were published in the Wheel and the reading of the minutes was waived as everyone had received the Wheel. The treasurer's report was given by Treasurer John Anderson. PP Curly Byler moved that the Treasurers report be accept as presented. Seconded and passed by a voice vote. President Box introduced the officers of the association and recognized the past presidents and divan members to the Membership. The officers made their comments concerning their planning for the future. President Elect Woody Woodward, encouraged all to participate in the upcoming Session in Toronto. Be sure your passport is up to date, do not carry weapons, no more than a 5th of liquor. Get to meet a great bunch of Shriners and learn new things. Historian Jack Knight briefed the membership on the campaign that Houston Hospital is taking advantage of concerning redeeming Campbell Soup Company Labels for needed items for the kids. Sec/Treas Anderson informed the membership that Past President Joe Crowder was visited by the officers during the Dec executive meeting. Lavenia Smith, his fiancé, told me to pass on to you the tremendous lift that the visit gave to his spirits. That he loved everyone in the organization. She also really appreciated the orchard from the association. The Secretary commended the units that are using the spread sheet to send in their membership lists. It is working great. He also stated that the deadline for the CAKRAS ads is this mid winter meeting. The CAKRAS must be published and mailed within two (2) months after the Mid-Winter meeting per the bylaws. Also the members were briefed on the need for "Intention to Compete" so that proper purchases of trophies could be made. He asked for feedback concerning the website, and to convey that information directly to the Secretary for correction or addition. The site link is www.iasmc.net, .org, or .com.

President Box briefed on the hotel and the competition field. He recognized Nobles Bob Holt and Danny Garcia for their help in San Antonio. Tickets for the Awards Banquet will be \$30 each. President Box then asked for candidates for the position of Sgt of Arms. Bob Holt put into nomination the name of Danny Garcia for the position of Sgt at Arms. The nomination was seconded and no further nominations were asked for. The vote by paddle was unanimous. The potentate of OMAR Shrine made welcoming comments. No old or new business was asked for. However new business was pending on a change to the bylaws which was readied, prepared and voted on in the executive meeting to be presented, but was not called for by the President to be presented to the membership. No business old or new was conducted.

The meeting was turned over to Imperial Outer Guard Jim Cain who briefed on the financial problems of the hospitals. He strongly encouraged the membership to stay for the Imperial meeting and voice their opinion about what to do. The hospitals belong to the members and they should direct in what we do, just like the stock holders that we are.

The meeting was closed with Prayer at approximately 11:55 AM.

Respectfully submitted,

John E Anderson

Historically speaking by Jack Knight

* * * * * San Antonio and the Alamo * * * * *

Spanish explorer, Captain Domingo Teran came to the area on June 13, 1691, now known as San Antonio and named it after the Saint. San Antonio was established as a military garrison and the San Antonio River marked a line of mission settlements that Spain used to move from Mexico. It was not until 1718 that the Spanish built the Mission of San Antonio de Valero, now called the Alamo. At that time Spanish power began to weaken and Mexico began to gain control of the area in 1820.

Moses Austin arrived in the area about that time and with others, many of whom were Masons, started to establish themselves in the area. The Alamo was originally the chapel of the Spanish Mission of San Antonio de Valero. During the years leading up to February 23, 1836, the Mission became a fort occupied by many men who wanted to see Texas independent from Mexico. On that day the fort was surrounded by the Mexican Army of General Santa Anna. There were skirmishes for a few days as the Mexican Army grew in number to around 1,400 men, and the Alamo had 189 men to defend it.

Finally on March 6, 1836, the Mexican Army attacked before dawn and gave no quarter and by 6:30 AM the Mexican Army had taken the fort. Colonel William Barrett Travis from South Carolina, along with Colonel James Bowie, from Louisiana co-commanded the volunteers at the fort. Survivors at the Alamo were Mrs. Susanna Dickinson, the wife of one of the officers, her baby girl Angelina with her Mexican nurse and a Negro boy.

All were killed in defense of the fort and "Remember The Alamo" became the battle cry of the volunteer armies who engaged Santa Anna and were massacred. Santa Anna's Army kept following General Sam Houston and his group of volunteers to an area called San Jacinto. During a hot spring afternoon, April 21, 1836, the Mexicans took a siesta, and General Sam Houston's men charged and were victorious in the battle.

General Sam Houston had General Santa Anna sign documents giving the Texans their independence from Mexico

The Alamo Chapel and the Long Barracks are all that remain of the original Mission of San Antonio de Valero.

10. Following Corps inspection, no equipment shall be removed.

Contestants must wear a DOT approved motorcycle helmet on the Obstacle Course Field, whether a 2, 3, or 4 wheeled rider.

INSTRUCTION TO THE JUDGES

It is not the intention of the IASMC to tell the judges how to appraise each unit for the scores they think it is entitled to or has lost because of something they see. We believe that a unit should not be discounted because of minor chips in paint or bluing of exhaust pipes, so long as they are polished and neat. This could happen to a motor just coming to the drill field. If it is their desire to award the unit all points it is allowed, then they will leave the space blank. However, if they wish to discount a unit points, they will put down only the amount they want to penalize the unit for each part on the score sheet. A penalty of 1/10 of a point per violation will be given on inspection.

Deducting points for each mistake made on the field as per the score sheets will score riding competition. Five judges will be used. The high and low scores of these judges will be discarded. The remaining three will be averaged and deducted from 100. This is the score for the participant. It is not the desire of IASMC to interfere with the nomenclature or types of maneuvers that a unit performs. The number of maneuvers (other than required) is counted as an objective count of variety. The highest number of optional maneuvers performed in each classification is used as the denominator for each other unit in the classification and that number multiplied by ten (10) determines the Score for Variety. The Chief Scorer will perform that function.

Hello Nobles and Ladies,

I want to give you the information needed to participate in the "Campbell Labels for Education Program" that we have at our Houston Shrine Hospital. Our program is very active and we have volunteers assigned to sort, count, and mail in the labels to Campbell when we get them. The program works much like the old Green Stamp programs used to work.

We receive a catalog from Campbell and our Childlife Department gets to choose the items they wish to have, based on the number of label points we have available. We typically mail in the coupons/labels twice a year, where they go into a label bank for us.

Eligible products webpage:

http://www.labelsforeducation.com/pdf/eligible_products.pdf

This link shows how the labels should be prepared before sending them to us:

<http://www.labelsforeducation.com/howtoclip.aspx>

Please mail these Campbell labels to:
