## FREE PSYCHOLOGICAL AND PSYCHO-SOCIAL EVALUATIONS

NYSID provides **FREE** in home service families without Medicaid for psychological and psycho-social evaluations.

If you have a family member

- who is suspected of having a developmental disability
- or who has a diagnosed developmental disability
- and who needs a determination of eligibility to receive therapeutic services
- and your family member is **NOT** eligible for Medicaid

Then we may be able to offer in-home testing and evaluation services at your convenience.
