

2020 RIVERSIDE REGIMENT

Band Office: 440-358-8316

Band Info Line: 440-358-8317

Attention any marching band members that need to get a school instrument—trumpets, mellophones, trombones, baritones and sousaphones.

We are going to have a “pick-up” day tomorrow, Wednesday, July 22nd from 9:00 a.m. to 11:00 a.m. and Thursday, July 23rd from 9:00 a.m. to 11:00 a.m.

Please come to the back door of the band room wearing a mask and staying socially distanced from anyone else that may be there. If no one is there to help you, please shout in the door and someone will be there soon.

If these times absolutely do not work, it may be possible to schedule another time with our new John R. Williams director/assistant marching band director and Riverside Band alumni, Mr. Brad Allen. You can reach him at BRAD.ALLEN@RIVERSIDESCHOOLS.NET

If you do not receive an email specifically stating that we have an instrument for you and you need one, please let us know so we can get one ready.

p.s. We need switchovers and people. Numbers are down due to not being in school last spring.
