EXCITEMENT FILLS THE AIR

Thank You

Thanks to all of our sponsors and advertisers for making the Premium List and Schedule of Events possible.

A special thank you to the City of Thief River Falls Park Department for the upkeep of the grounds and for the STS crew for all their help with set-up and clean-up of the fair this summer.

The Fair Board thanks the Pennington County Commissioners and the City of Thief River Falls for all their support for the Pennington County Fair.

RULES AND REGULATIONS

1. Rules and regulations will be strictly adhered to.
2. ENTRIES FOR PREMIUM PRIZES ARE LIMITED TO RESIDENTS OF NORTHWEST MINNESOTA.
3. Open Class entries in Huck Olson Arena on Wednesday, July 18 from 10 am - 5 pm. Livestock entries and 4-H entries on Thursday, July 19.
4. Only one entry will be allowed to an exhibitor in one section on any class other than livestock, provided, however, that no animal shall be entered in more than one class except to make up herds or teams. Limited to 2 entries in each class.
5. No purse will be awarded where there is no competition, unless specially recommended by the judges, and no unworthy exhibit shall be awarded a prize.
6. The association management will use diligence to insure the safety of livestock or articles after their arrival and placement, but under no circumstances will it be responsible for any loss, injury or damage done to, or occasioned by, or arising from any animal or articles on exhibition, and the exhibitor shall indemnify the Association management thereof against all legal or other proceedings in regard thereto.
7. On receipt of entries a card will be prepared for each animal or articles, specifying the class, section, articles and number of entry, the card must remain attached to the articles during the whole period of exhibition.
8. All exhibits, including livestock, shall be left on display until 5 P.M. on the last day of the fair, July 22. No ticket shall be removed from the article until that time. The Fair Association will not be responsible for exhibits or property left on the grounds after 7 P.M., Sunday, July 22.
9. No exhibits or coverings containing them will be admitted with the name or initial on them.
10. Articles on exhibition shall not be handled except by officers of the department to which they belong.
11. The board of directors reserves the right to make any changes in the premium list and in the rules and regulations that it may deem advisable.
12. The interpretations of the rules and the settlement of all questions and differences that may come up in connection with the contest shall be vested in the board of directors.
13. The board of directors reserves the right to prorate premiums if the amount exceeds \$10,000.00.
14. All bills or materials borrowed for the fair must receive the O.K. of the secretary of the board of directors, otherwise the fair management will not be responsible.
15. All premiums and other checks issued by the Fair Association must be cashed before September 1st, so that the checks may be audited for drawing the state appropriation.
16. No person will be permitted to distribute advertising matter on the grounds except from their places of business or exhibit. The tacking or posting of any advertising, bills, cards, etc., other than within the spaces occupied by exhibitor, is strictly prohibited. The distribution of handbills, flyers, heralds, etc. will not, under any circumstances, be permitted. Anyone violating this rule will be liable to a fine or expulsion from the grounds, as the board may elect.
17. The management reserves the right to exclude from the grounds any person or persons whom it may deem undesirable, or expel from the grounds such person or persons who shall violate any rules.
18. Exhibitors will please bring in only the articles listed in the premium book. No special will be accepted.
19. The fair board has the right to accept or reject any exhibit.
20. The fair board reserves the right to regulate all raffles.

LIVESTOCK

1. Entries in the livestock and poultry department shall be sent in by email/mail prior to July 3. This is necessary in order that stalls may be assigned according to the number of entries and that the fair management may know how much barn space is available. The animals must be in place on the first day of the fair.
2. Livestock are not permitted on the fairgrounds BEFORE 1 pm on Wednesday. Setup can begin the Sunday before the fair.
3. Livestock entries will take place at the Huck on Thursday from 10 am - 6 pm.
4. There will be NO PARKING of cars, trucks, campers between the poultry barn and the livestock barn.
5. Cattle will be shown by breeds, registered and grade will be shown together. Papers are required at entry time. No papers required for grade cattle.
6. Exhibitors must keep their barn and stalls open and stock uncovered between the hours of 10 A.M. and 5 P.M. during each day of the show. Exhibitors of livestock must keep their stock, stalls, and pens in good, neat condition and open for inspection from 10 A.M. to 10 P.M.
7. Each exhibitor of livestock must pay an entry fee of \$1.00 for each entry of cattle, sheep and hogs. No entry in the livestock department will be less than \$2.00.
8. When entering female livestock, they must go into EITHER a MARKET or BREEDING category, not both.
9. All exhibitors who have a animal in the sheep/goat/swine area must work (or have a family member work) one time slot as a barn attendant. Details and signup will be at the barn office table.
10. Bring all of your own bedding, feed and equipment.
11. Livestock must be bona fide property of the exhibitor at least sixty days before exhibition.
12. In championships, "Senior" designates cattle two years old or over; "Junior" under two years. Only first prize winners in single lots in open competition may compete for championships. Champion winners only may compete for grand championships.
13. 4-H club boys and girls who enter livestock in the open class will be required to pay entry fee, as herein specified.
14. All livestock including horses, cattle, sheep and goats will be examined by the official show veterinarian each day of the fair. Certificates for all livestock consigned from other states shall comply with the rules and regulations of the Livestock Sanitary Board for the importation of livestock into Minnesota. All animals must be free of warts, ringworm or other contagious disease. If they arrive at the show with these diseases, they will be sent home. All animals must be officially identified.
15. All poultry, except waterfowl and pigeons, besides being apparently healthy, must meet one of the following conditions in order to qualify for exhibition:
 1. Officially tested for pullorum and typhoid diseases and found negative within 90 days prior to opening or exhibition, or
 2. Originate directly from parent stock classified within 12 months of opening date of exhibition as U.A. Pullorum-Typhoid Clean or a comparable classification.
 The exhibition must show compliance with one of the above by means of an official form issued by an authorized agent of which is recorded the result of this test, or an appropriate statement certifying to origin, together with identification of each bird by band number. All poultry must be identified by leg or wingband.
16. Any livestock removed from the fairgrounds before 5:00 P.M. the last fair day, without notification of the superintendent, are subject to withholding of premium of animal taken home.
17. All Pig, Sheep and Goat Stalls must be completely cleaned and swept out before receiving premium check.
18. All bulls must have an extra neck tie in addition to any halter tie. No cattle are to be tied by leather show halters in stalls.
19. Anyone may exhibit livestock in Pennington County whose home county allows Pennington County residents to exhibit there.
20. Additional classes may be added at the discretion of the Superintendent.
21. All animals at the fairgrounds, must be shown in at least one class during the fair.
22. Livestock Superintendents have final decisions.

DIVISION H – HORSES

Miranda Carlson, 686-5185; Dani Miller, 689-3414

Please pre-register your horse with superintendents before July 5, so stalling agreements can be made. There will only be stalls available for pre-registered horses, because of a limited number of available stalls. Ten stalls per family maximum.

Health requirements: All horses will be checked by official veterinarian on entry day. A negative coggins test is required and all papers will be checked prior to placing horses in stalls. Bring a copy to be left with superintendent. Must be tested for Equine Infectious Anemia within 12 months prior to opening of the exhibition. A test is not required for suckling foals accompanying a negative dam. No horses are allowed in the stalls until Thursday morning.

The superintendent reserves the right to combine classes or split classes if numbers in lots warrant it. A horse may be entered under only one breed.

SELECTION POINTERS

SMALL GRAINS

UNIFORMITY – As nearly as possible, every kernel in the sample should correspond to every other kernel in size, shape and color.
PURITY – A show sample should be absolutely free from (1) Seeds of other grains; (2) Weed Seeds; (3) Dirt, straw, sticks, chaff, etc.
PLUMPNESS OF KERNEL – Indicated (1) Weight per bushel; (2) Yield; (3) Strength of breeding.

CLOVER

PLUMPNESS OF KERNEL – Indicates (1) Weight per in size and shape, meet favor with the judges.
MIXTURE – No other seeds should be in the sample and all kinds of foreign matter (weeds, seeds, dirt, etc.) are objectionable.
COLOR – Bright cheerful lustre is preferred to dull dead color.

POTATOES

1. Do not wash exhibits. Brushing with a soft brush will remove the soil and leave the skin in its natural condition.
2. Select the exhibit at digging time if possible. Wrap each potato in paper as soon as selected, and store in a dry, dark, cool cellar.
3. Select the tubers of the average size for the variety that are in uniform size.
4. Select tubers of good type for the variety. Round blunt or block ends are characteristic of most varieties. Avoid pointed tubers, or irregular shapes.
5. Select only clean, bright specimens or those free from scab, black scurf, stems and rots, mechanical injury and sunburn.
6. Select full weight as called for in the premium list, and correctly label the sample.

DIVISION L – YOUTH FLOWER DEPT.

Youth – Ages 16 and Under

FLOWER DEPARTMENT RULES

1. All flowers **MUST** be grown by exhibitors.
2. An exhibitor may enter only one exhibit in any lot (unless they have each entry identified by variety name in adult division only).
3. Exhibitors are required to show the exact number of specimens called for in the premium list.
4. Furnish your own containers and water.
5. No filler should be used other than in arrangement.
6. For best display, condition all flowers.
 - a. Cut early in the morning or very late afternoon
 - b. Use a sharp knife, cut at a slant.
 - c. Place immediately in slightly warm water.
 - d. Remove all foliage below water line.
 - e. Let flowers stand in a cool place out of a draft.
 - f. Stems with sticky sap should be singed on cut side and sealed by placing lower end of stem in boiling water for one to two minutes.
 - g. Woody stems should be crushed to increase water intake.
 - h. Lilies shown as cut flowers should have pollen left on. In an arrangement lily pollen sacs may be removed.
 - i. For more exhibiting tips see the Exhibiting and Judging Handbook published by the Minnesota Historical Society or <http://www.northerngardener.org/classes/judges>
7. Try and put variety name on exhibit.
8. Dish gardens are similar to planters, except they create a miniature landscape, tell a story or set a mood, includes trough gardens.

Pennington Co. Fair POWER WHEELS DEMO DERBY

Sunday, July 22nd

In Front of the Grandstand before the Demo Derby

RULES

- Any regular electric Power Wheel is allowed. 4-Wheeler type vehicles are allowed, however the child's legs must be protected.
- Kids 3-9 years of age may participate.
- Helmets must be worn, bicycle helmets can be used.
- The vehicle is allowed to have UP TO a 12-volt lawn mower battery, which can-not be mounted in the passenger seat and the battery must be secured and sealed away from the child.
- All doors and tailgates must be strapped shut. No sharp edges. Use zip ties or duct tape or other flexible product for making them stay shut.
- Tires may be covered in duct tape to prevent them from breaking.
- All tires can be wrapped with rubber for traction.
- Motor must remain stock. The only modification you may use that will be allowed is using a lawn mower battery.
- Decorative changes can be made to the Power Wheel to make it look like a derby car, however there can be no reinforcement to the Power Wheel. Changes and additions are only decorative, such as header pipes sticking up or painting the car, etc.
- Remember this is to be something fun for the kids as well as the parents!
- Payouts will be as follows:
Each child will receive a T-shirt
Prize will be given for best looking Power Wheel.
Prize will be given for most bumps.
- Please pre-register so we are sure we have prizes for all participants.
- To preregister, or if you have questions, please call Joey Halvorson at (218) 689-0608

4-H EXHIBIT RULES

- Eligibility** - This Department is open to bona fide members of the 4-H clubs of Pennington County.
 - Absentee Judging of Projects. Please visit <http://www.4-H.umn.edu/policies> for information
 - Judging experiences for youth with disabilities or injuries. Contact Extension Office for more info.
 - Prior Enrollment** - Members may only enter exhibits in the project areas and units that they are enrolled in.
 - Registration** - All entry registration forms are due in the county extension office by **June 25**. Members may enter 2 exhibits in a class and livestock science exhibits entry is limited to one per lot. If you are showing 2 exhibits in same class please put it on the registration form twice.
 - Exhibit/Livestock arrival** – Thursday, July 13, 9 a.m. – 3 p.m.
 - Exhibit/Livestock release** – Sunday, July 16, 5 p.m. – 7 p.m.
 - Judging Schedules**
 - Thu, June 21 – Demonstrations, Food Review, & Performing Arts
 - Thu, June 28 – 4-H Clothing Construction, Purchased, Quilting, & Fashion Revue
 - Wed, July 18 – 9 am – 4-H Dog Show; 9:30 – Rally; 1 pm Open Class & Agility Dog Show
 - Thu, July 19 – Non-livestock exhibits in arena – 9 am – 3 pm
 - Thu, July 19 – 1 pm 4-H Horse Show – Games & Performance
 - Fri, July 20 – Sheep, Swine, & Beef – 9 am; Rabbits 9:30 am
 - Sat, July 21 – Goats – 8:30 am; Dairy – 11 am
 - *Please note the change in date for Goats and time for Dairy**
 - Sun, July 22 – Share the Fun Performances – 12:45 pm; 4-H Fashion Review – 1 pm;
 - 4-H Auction – 3 pm
 - Cloverbud Policies** –
 - The Cloverbud program serves as an introduction to the 4-H. It is non-competitive and experience-driven. Premiums and ribbons are awarded to Cloverbuds for their successful participation in the fair.
 - Cloverbuds are limited to entry in 5 projects.
 - When a Cloverbud shows an animal, an adult or youth leader needs to be in control of the animal at all times. When showing small pets, poultry, rabbits, etc., an adult or youth leader will handle the animal and be in control at all times.
 - Cloverbuds must abide by all other rules, guidelines, expectations, and qualification requirements except as noted.
 - Grievance Policy** – 8) A grievance may be filed and a local volunteer grievance committee convened to address rule violations and alleged wrongdoing. A grievance committee will not be convened for the following situations: a) decisions made by judges, which are final; b) missed deadlines which are covered through the "one-time member exemption process;" and, c) code of conduct related violations which will be addressed by staff according to an established process. Please direct any questions to the 4-H Program Coordinator or the Fair Superintendent.
 - Procedure for entering Club Projects at the fair** – Please register with the Extension staff in the arena on July 19 from 9 a.m. – 3 p.m. They will distribute your entry cards. If you are only exhibiting animals, you need to stop by and pick up your barn cards.
 - Exhibits will be placed in blue, red and white ribbon classes, except where stated otherwise.
 - Please cash all checks by August 15th.
- EXHIBITS**
- Members may exhibit, demonstrate, or take part only in projects in which they are enrolled. All work on projects entered should be done by the 4-H member and completed during the current 4-H year unless otherwise noted.
 - Poster** exhibits **may not exceed** 22” wide x 28” high. They may be smaller. Please be aware that foam poster board is 20” x 30”. It needs to be trimmed. We would also like the posters ready with something to hang it with, so we do not have to put staples through them.
 - Education Exhibits / Tri-Fold / Science Exhibits** for all project areas, **may not exceed** 12" deep x 24" wide x 36" high. (Center back 24" wide x 36" high, right and left wings each 12" wide x 36" high.)
Educational Exhibits / Science Exhibits will be evaluated on the following requirements...
Exhibit quality.....25%
Educational value25%
Knowledge and ability to explain50%
 - Oversized Exhibits/FFA Exhibits** - If you are exhibiting an oversized exhibit/education display you need to fill out a county form and return it to the Extension Office by July 1. If this is done in advance you may qualify for grand/reserve ribbons and State Fair. If you are chosen for State Fair you will need to fill out an oversized exhibit form. The State Fair needs to approve it before the exhibit is allowed to the State Fair.
 - Floor Space for any exhibit should not exceed 20 square feet.** If your exhibit exceeds this space limitation, contact the extension office.
 - All exhibits must be labeled** with name, club and county. Other appropriate information for the project (i.e., vegetable varieties) should be included. If the exhibit has multiple pieces, **each part needs to be labeled** and should indicate 1 of 4, 2 of 4, etc.
 - All exhibits will be evaluated by a conference with the judge. Blue, red and white ribbons will be awarded based on the member's knowledge of the project (50%) and on the merit of the exhibit (50%). Displays not meeting these guidelines will need permission from Extension Staff prior to exhibiting in order to receive higher than a red ribbon. **Decision of the judge is final and may not be appealed.**
 - Meeting exhibition requirements of the local County Fair Board/Agricultural Association and the 4-H Youth Development Program from 4-H exhibit entry day through release time: If exhibition requirements are not met (and permission is not granted by 4-H and fair), youth will not be eligible for all show related premiums, awards, and participation in the state event. (Auction county decision.) Approved early release is an exception to the rule and becomes a 4-H staff and fair board decision based on each situation
 - Copyright Law and Infringement:
 - Copyright is a form of protection given to authors and creators of “original work.” Original work includes a person’s ideas captured in writing or as an image, photograph, song, audio recording, or visual recording.
 - All original work – including information found on the web – is subject to copyright protection. The author/creator has exclusive rights to reproduce, distribute, display, perform or make derivative works.

c) Before using another person’s work a part of your 4-H exhibit, be sure that the work is subject to fair use, has a creative commons license or that you have requested and received permission (in writing) to use the original work. If an exhibit infringes on copyright law, a decision may need to be made to remove the exhibit from display at the county or state fair.

ANIMAL SCIENCE

1. **All beef, dairy, dairy goat, horse, rabbit, llama, sheep and swine** shown in 4-H livestock shows must have the required State 4-H ear tag and/or tattoo. Animal ID data must be submitted online, arrive in the Extension Office, or be postmarked no later than May 15 (with exception of Market Beef due Feb. 15)
2. All animals exhibited must be owned solely by the member, member’s family or leased by agreement. The family includes the 4-H’ers parents or guardians and siblings living together as a family unit. The definition of family includes an extended family where the animals may be owned by grandparents with the 4-H’ers parents actively involved with and working on the farm. Registered animals, not leased, must be registered in the exhibitor’s name and/or the exhibitor’s family name. Animals owned in partnership with non-family members must be leased and follow guidelines within the lease agreement.
3. 4-H’ers exhibiting livestock at the County Fair **are responsible** for the care and feeding of animals they exhibit.
4. All livestock exhibits must be pre registered. Members in animal projects may exhibit one animal per class, unless stated otherwise.
5. All 4-H’ers exhibiting livestock at the fair are eligible to participate in showmanship. 4-H’ers must show their own animals. **Please sign up for showmanship on your fair registration.**
6. State Grooming & Fitting Rules: All grooming of livestock at the fair, including clipping, trimming and manipulation of the hair/wool (such as blocking on sheep, pulling up hair on beef and working up top lines on dairy) must be clearly done by the exhibitor, members of the immediate family (parents, step-parents, legal guardians, grandparents, brothers or sisters) or any other enrolled Minnesota 4-H member. The 4-H’er exhibiting the animal should be present and involved in the fitting process at the fair.
7. For classes to which this applies: To show in the registered breed classes, animals must meet the registration requirements for that breed and registration papers must be available. Animals without proper registration papers (crossbreeds and grades) must be shown as commercial.
8. For exhibitors with two animals showing in the same class, one animal must be shown by the exhibitor and the other must be shown by a member of the immediate family (parents, step-parents, legal guardians, grandparents, brothers or sisters) or any other enrolled Minnesota 4-H member. The exception to this rule is showmanship, in which case an exhibitor may only show one animal in a class.
8. All animal health regulations will be in effect as stipulated by the Minnesota Board of Animal Health and the County Agricultural Society.

LIVESTOCK HEALTH REQUIREMENTS
ALL LIVESTOCK

WARTS, RINGWORM, CONTAGIOUS DISEASES - all animals must be free of warts, ringworm or other contagious diseases to be entered in a show. If they arrive at a show with these diseases, they will be sent home.

SHEEP

State Fair Requirement – All breeding ewes and market ewes must have a USDA scrapie tag. Contact the Minnesota Board of Health at 651-296-2942 ext. 30 to get a tag. All sheep need a Premise number. Contact the Minnesota Board of Animal Health at 651-201-6816 or www.bah.state.mn.us/bah/nais/. All commercial/crossbred breeding ewes need a 4-H ear tag. Registered ewes must have 4-H tag, tattoo, or individual ID tag that matches registration papers.

HORSES

- A. have a negative official psuedorsabies test conducted within 30 days prior to the opening date of the exhibition; or
- B. originate directly from a qualified psuedorabies-negative herd; or
- C. originate (born) directly from a Stage IV or V county or area. (All of Minnesota is stage IV);
- D. Need a premise number. Contact the MN Board of Animal Health - 651-201-6816 or www.bah.state.mn.us/bah/nais/.

DOGS

RABIES - If over six months of age-must be accompanied by a certificate of rabies vaccination issued by a licensed veterinarian. Must also have Parvo and distemper shots.

GOAT

State Fair Requirement - All breeding goats and market goats must have a USDA scrapie tag. Contact Lindsay at the Minnesota Board of Health 651-296-2942 - ext. 30, to get a tag. All market goats need a 4-H ear tag.

STATE FAIR OR STATE SHOW ELIGIBILITY

1. Trips for State Fair, State Horse Show, and State Dog Show will be selected from blue ribbon exhibits only (see State Dog Show Rules for exceptions). 4-H members must be present for conference judging or videotape in advance to win a State Fair trip. **Exhibit classes eligible for State Fair are marked with an asterisk *.**
2. Members selected to represent the county at State Fair and State Horse Show **must have completed sixth grade.**
3. To be eligible for a livestock trip to the State Fair, 4-H’ers must have completed Quality Assurance/Ethics Training. State Policy: All youth participating at the Minnesota State Fair as a 4-H livestock exhibitor in beef, dairy, sheep, swine, poultry, rabbit or goat exhibitors must have completed a Livestock Quality Assurance and Ethics workshop. Certification is good for three Fair seasons. The level of training required is determined by the grade of the youth at the time the training takes place.

4. Along with their qualifying State Fair exhibit trip(s), 4-H members may participate in activities such as Share-the-Fun, demonstrations, Arts-In or judging teams.
5. The 4-H’er is responsible for providing transportation to and from the State Fair if their exhibit is oversized.
6. Competitive events, deadlines, consequences and exemption options Every Minnesota 4-H member is eligible for a "one-time" member exemption. This exemption provides the ability (one-time in a 4-H member’s career) for the 4-H member to acknowledge they missed a 4-H deadline related to enrollment or competitive event participation and waive the consequences for the named deadline.
7. Distribution of Unused Livestock Trips: Minnesota 4-H wants to provide as many 4-H members as possible the opportunity to experience the Minnesota State Fair judging process. To ensure that as many youth as possible have the opportunity to participate in a livestock experience at the Minnesota State Fair, staff and volunteers are asked to follow the outlined process for the distribution of unused livestock quota trips.

CLUB ACTIVITIES

CLUB BANNER

Club Banner

Club banners will be conference judged. May have 1-2 4-H’ers from club represent the banner. Two banners will be selected for State Fair exhibit.

Requirement:

1. Banner must be 3’ x 5’ and designed to hang vertically.
2. It must be completed and equipped with a dowel (min. size 3’ x 8”) and ready to hang.
3. Banner must be of fabric and can be one or two-sided (no paper).
4. Club name on 3 x 5 card pinned to back (Any assembly technique can be used).
5. Register under club name

COMMUNITY PRIDE - Club

Community Pride

One exhibit will be selected for State Fair.

Requirements:

1. The exhibit may include a 3-sided display, video or other visual method which visually highlights the entire project or certain parts in a manner which tells the public what positive effects the project had on the community. State Fair judges want to see one project worked in-depth but mention other projects.
2. Two club youth who participated in the project may represent the club in conference judging.
3. Register under club name.

Please note: Community Pride participants at State Fair may exhibit another individual project.

Suggestion:

1. An example of a Community Pride Summary Form is available from the Extension Office. You may use all or parts of this form. It is not mandatory.

CLUB SCRAPBOOK

Club Scrapbook - no state fair trip

Requirements:

- The scrapbook should depict club activities and participation in community and county events.
- The book should include events only from the current 4-H year (beginning in October 2017).
- When registering, please register under the club name.

Requirements:

- **Demonstration / Illustrated presentations** may be related to any project that the member is enrolled in or to any area of interest or expertise the 4-Her has. Presentations may be an individual or a two-person team. Individual presentations shall not exceed 15 minutes in length and team presentations should not exceed 25 minutes in length.

- **Demonstrations** are an oral presentation that includes actually demonstrating the hands-on steps required to accomplish a task or process. This most often includes the use of physical objects and actual doing or showing. For example, a demonstration could involve using bedding plants, potting soil and related items to demonstrate how to plant a flower pot. At the end of the Demonstration there should be something of a "finished product." Demonstrations may also include the use of supporting visuals like posters, charts or overhead transparencies. Supporting visuals can include technology based options like presentation software (i.e. MS PowerPoint). However, the focus of the Demonstration should be on the "doing," not the supporting visuals.

- **Illustrated Presentations** are an oral presentation that presents an idea, concept, viewpoint or experience in an educational or informative format. For example, an Illustrated Presentation could be a report on leadership lessons learned through a trip to Washington, D.C. or an educational presentation that explores sustainable energy options. Illustrated Presentations most often consist of interaction with supporting visuals like posters, charts or overhead transparencies. Supporting visuals can include technology based options like presentation software (i.e. MS PowerPoint). Supporting visuals may include tangible items, but generally little or no activity takes place with the item.

- **Youth in Action** presentations are interactive, continuous presentations that are approximately 45 - 50 minutes in length. Topics selected for a Youth in Action demonstration may be related to a project in which the member is enrolled or to any other area of interest or expertise the member has. Involving the audience in the process is the primary focus of Youth in Action and constitutes a major portion of the evaluation results.

- **Presentation Software (i.e. MS PowerPoint)** may be used for both Demonstrations and Illustrated Talks. If Presentation Software is used in a Demonstration, the presentation software should supplement the Demonstration (hands-on demonstrating should still be the basis of the entry). If used for an Illustrated Talk, the presentation software can be the basis for the entire talk; however the member must interact with the presentation and information - not just step to the side and let the presentation play. (Self-presenting entries created with presentation software should be burned on to a DVD and entered in the "Video" class.)

If presentation software is utilized, judging will include the effective use of the software. For information on effectively using visuals in presentations and/or presentation software please see http://www.mn4h.org/programs/software_presentation

Special NOTE: If presentation software is utilized in either a Demonstration or an Illustrated Talk, the 4-H'er is responsible for securing any equipment necessary for judging. Extension staff may be able to assist in this process, but it is the responsibility of the exhibitor to contact Extension staff WELL BEFORE the scheduled judging. The ideal situation is to deliver the presentation with a computer and LCD projector, but the use of transparencies and an overhead projector is also possible.

NOTE: 4-H'ers who complete a Public Presentation at the State Fair will receive a \$30 cash award. These payments are made in October. 4-H'ers must be grade eligible to participate at the State Fair.

ANIMAL SCIENCE PROJECTS*

Animal Science is, for many, the main focus of their participation in the 4-H. Animal science project are focused on the care, well-being, and maintenance of livestock and live animals, and most of these project involve the exhibition of a live animal. This is the largest section of the premium book, and there are many classes for entry within each animal. NO DOGS ALLOWED on fairgrounds premises during the fair by fairgoers, except service dogs and dog shows. This will be enforced.

NO WATER BALLOONS or other WATER TOYS in the barns to prevent upsetting the animals.

Requirements:

- HORSE HELMET POLICY

All 4-H'ers participating in any 4-H sponsored mounted/driven activity are required to wear properly fastened ASTM/SEI approved protective headgear. Helmet use is required when mounted. This policy also extends to 4-H volunteers when they are working with 4-H youth in a 4-H volunteer role during mounted activities.

- Additional information can be found on www.4-H.umn.edu/projects/animal-science/horse.

- Classes may be combined or split depending on number of entries.

- A horse may be used only once in any event per show. Age, grade or type divisions are considered class divisions and not separate events. The horse may be used in an additional non-qualifying class in the same event. For example :

a) If a member shows in Western Pleasure another member may not also use the same horse for Western Pleasure. The second member may use the horse in other events, such as Western Horsemanship or English Pleasure.

b) If a member shows a horse in Barrels another member may not also use the same horse for a Barrel class. The second member may use the horse for other game events, such as Key Race.

c) If a member shows in English Pleasure another member that is too young to qualify for state show may also show in English Pleasure.

If riding 2 horses, points are counted toward either games or performance classes. Points are not combined for the rider.

- Each horse is allowed 1 premium, but will receive ribbons in all classes.

State Horse Show Rules:

1. Only Senior 4-H'ers are eligible.
2. Points are counted on one horse per Senior 4-H'er
3. Points are counted on blue ribbons only.
4. If a 4-H'er qualifies for 2 State Horse Show Trips, they will choose the trip they want and the next in line of the one they did not choose will be offered.
5. 5. If there is an ineligible rider who places, that rider's points will go unassigned. Reasons for ineligibility include late ID of animal without exemption, late enrollment, etc. For an example of this rule:

Example: County Points

Barrels results	Western Pleasure
Sasha 1st blue	Jane 1st blue
Jane 2nd blue	Bart 2nd blue
Bart 3rd blue	Sasha 3rd blue
Oliver 4th blue	Oliver 4th blue

Selection of State Trip Winners

Pennington County 4-H Horse enrollment will be finalized May 15. The State 4-H Horse Show Trips will be selected as follows:

Even Distribution between Pleasure and Games

* Even distribution of your quota between games and pleasure: if county has odd number of quota trips then extra trip goes to discipline with most participation.

Points will be awarded as follows:

1st - 6, 2nd - 5, 3rd - 4, 4th - 3, 5th - 2, 6th – 1

Tie Breakers

1. Person with the most 1st places.
2. Person with the most 2nd places.
3. Person with the most 3rd places
4. Draw out of a hat.

Please note: classes for points cannot be changed from the time you send your registration into the Pennington County Extension Office. Please sign up for anything you might be participating in. You may drop a class during the show, but you may not add.

Ribbons: In Performance & games, ribbons will be awarded by the judge according to quality of performance.

Rabbit - Large Breed - Purebred Senior Buck over 8 months of age
Rabbit - Large Breed - Purebred Senior Doe over 8 months of age
Rabbit - Large Breed - Purebred Intermediate Buck 6-8 months of age
Rabbit - Large Breed - Purebred Intermediate Doe 6-8 months of age
Rabbit - Large Breed - Purebred Junior Buck under 6 months of age
Rabbit - Large Breed - Purebred Junior Doe under 6 months of age

Non-purebred not eligible for state fair

Rabbit - Large Breed - Non-Purebred Senior Buck over 8 months of age
Rabbit - Large Breed - Non-Purebred Senior Doe over 8 months of age
Rabbit - Large Breed - Non-Purebred Intermediate Buck 6-8 months of age
Rabbit - Large Breed - Non-Purebred Intermediate Doe 6-8 months of age
Rabbit - Large Breed - Non-Purebred Junior Buck under 6 months of age
Rabbit - Large Breed - Non-Purebred Junior Doe under 6 months of age

6 Class (large) rabbit breeds include New Zealand, Satin, American Giant Angora, Bevern, California, Champagne Dargent, American Chinchilla, Giant Chinchilla, Cinnamon, Crème Dargent, Flemish Giant, Hotot, English Lop, Palomino, Checkered Giant French Lop and Silver Fox.

Requirements:

- All breeds recognized by the American Rabbit Breeders Association are eligible. Rabbits will be judged according to ARBA standards.
- Each rabbit must be permanently tattooed in the left ear for identification purposes.
- No crossbred breeding classes will be conducted at State Fair.
- Rabbits must be owned & ID affidavits submitted to Extension Office by May 15 (Jr. born after May 15 are not eligible for State Fair)

RUNNING BREEDS

Rabbit - Running Breed - Senior Buck over 8 months of age
Rabbit - Running Breed - Senior Doe over 8 months of age
Rabbit - Running Breed - Intermediate Buck 6-8 months of age
Rabbit - Running Breed - Intermediate Doe 6-8 months of age
Rabbit - Running Breed - Junior Buck under 6 months of age
Rabbit - Running Breed - Junior Doe under 6 months of age

Requirements:

Breeding Rabbit requirements apply to Running Breeds
Running Breeds include Checkered Giant, English Spot, Rhinelander and Tan

MARKET RABBIT

Market Rabbit - Single fryer, 3-1/2 to 5-1/2 pounds, not over 70 days old
Market Rabbit - Pen of three fryers, 3-1/2 to 5-1/2 pounds, not over 70 days old
Fryers or meat pens may not be leased.

CLOVERBUD

Cloverbud Rabbit

RABBIT POSTER

Rabbit Poster

RABBIT SHOWMANSHIP

Rabbit Showmanship

CAVIE (No State Fair Trip)

Cavie - Senior Boar (over 6 months of age and more than 32 oz)
Cavie - Senior Sow
Cavie - Intermediate Boar (up to 6 months of age or over 22 oz to and including 32 oz)
Cavie - Intermediate Sow
Cavie - Junior Boar (up to 4 months of age, minimum weight of 12 oz to and including 22 oz)
Cavie - Junior Sow

Requirements:

- Will be judged according to the ARBA rules for Standard of Breeds and will be judged after rabbit judging. There are no State Fair Trips awarded in Cavies. This is an exhibition class only.
- There will be no showmanship in this class.

SHEEP

BIRTH DATES

January Ewe Lamb	Born in January of current year
February Ewe Lamb	Born in February of current year
March Ewe Lamb	Born in March of current year
Yearling Ewe	Born on or after January 1 of previous year and must not show evidence of four permanent incisors.
Market Lamb	Born on or after January 1 of current year

BREEDING EWE

Use the following Classes, with the Divisions (breeds) and birth dates above, to indicate the age of your project animal(s):

- Sheep - Ewe Lamb born on or after Jan. 1 of current year (not eligible for market auction)
- Sheep - Yearling Ewe

MARKET LAMB

- Market Lamb Ewe
- Market Lamb Wether

Requirements:

- Recommended minimum weight for State Fair is 105 pounds; recommended maximum weight is 170 pounds. .

CLOVERBUD SHEEP

- Cloverbud Sheep

SHEEP SHOWMANSHIP

- Jr. Sheep Showmanship 8th grade & below
- Sr. Sheep Showmanship 9th grade & above

SWINE

Market Gilts will be shown at State Fair.

(Note: Champion barrows and gilts will never compete and auction limitations will be in place.)

BIRTH DATES:

January Gilt	Born in January of current year
February Gilt	Born in February of current year
March Gilt	Born in March of current year
Market Barrow	Born on or after January 1 of current year. Recommended farrow date of February 1 or after.
Market Gilt	Born on or after January 1 of current year. Recommended farrow date of February 1 or after.

BREEDING GILTS

Use the following Classes, with the Divisions (breeds) and birth dates above, to indicate the age of your project animal(s):

- Swine - Gilt born on or after January 1 of current year (not eligible for market auction)

BARROW/MARKET GILT

- Swine - Market Barrow
- Swine - Market Gilt
- Born on or after Feb. 1 to be State Fair eligible. (If you are only interested in the market auction and sure you are not attending the State Fair, we encourage your hog to be born before Feb 1 and early enough to weigh approx. 240 lbs by sale day.)

Requirements:

- Recommended minimum weight for State Fair is 220 pounds; maximum State Fair weight is 300. Market barrows and market gilts weighing less than 220 pounds will show in their own class “Super Lightweight” and those 301 pounds and over will show in their own class “Super Heavy-weights” and will be eligible for blue, red or white ribbons and are not eligible for champions.

ADVANCED SWINE

- Swine - Sow with litter two to five weeks old. Not eligible for State Fair.

OTHER

- Swine - Pot Belly Pig (not eligible for state fair)

CLOVERBUD SWINE

- Cloverbud Swine

SWINE SHOWMANSHIP

- Sr. Swine Showmanship – 9th grade & above
- Jr. Swine Showmanship – 8th grade & below

SCIENCE OF ANIMALS EDUCATIONAL EXHIBITS

This project area is modeled after the 2015 Poultry exhibits when the Avian Flu outbreak prevented the exhibition of live birds. It offers a chance to research animals and to present findings in creative ways. Exhibit suggestions can be found at the end of this section.

Health

- Health Exhibit - Beef
- Health Exhibit - Dairy
- Health Exhibit – Goat - Dairy
- Health Exhibit – Goat - Meat
- Health Exhibit - Poultry
- Health Exhibit - Rabbits
- Health Exhibit – Sheep
- Health Exhibit – Swine

Breeding

- Breeding Exhibit - Beef
- Breeding Exhibit - Dairy
- Breeding Exhibit – Goat - Dairy
- Breeding Exhibit – Goat - Meat
- Breeding Exhibit - Poultry
- Breeding Exhibit - Rabbits
- Breeding Exhibit – Sheep
- Breeding Exhibit – Swine

Production

- Production Exhibit - Beef
- Production Exhibit - Dairy
- Production Exhibit – Goat - Dairy
- Production Exhibit – Goat - Meat
- Production Exhibit - Poultry
- Production Exhibit - Rabbits
- Production Exhibit – Sheep
- Production Exhibit – Swine

Zoonotics Exhibit

- Beef
- Dairy
- Goat - Dairy
- Goat - Meat
- Poultry
- Rabbits
- Sheep
- Swine

Other

- Other Exhibit - Beef
- Other Exhibit - Dairy
- Other Exhibit – Goat - Dairy
- Other Exhibit – Goat - Meat
- Other Exhibit - Poultry
- Other Exhibit - Rabbits
- Other Exhibit – Sheep
- Other Exhibit – Swine

Exhibit Suggestions:

- Items constructed (such as feeding systems or show equipment) or science exhibits focusing on one of the four divisions listed above.
- These projects may be enhanced with 3-dimensional displays, posters or notebooks
- Zoonotics is a new category for 2018 and is of great interest at the state level. Exhibits in this area are strongly encouraged
- State Fair trips will be available. Exhibits will be judged during Livestock Weekend and 4-H’ers may exhibit both an animal and a Science of Animal Educational Exhibit.

GENERAL 4-H PROJECTS

General Exhibits is a broad category that captures all other project areas other than demonstrations, club activities, and animal science. The following are the specific projects available for the entry of general exhibits:

❖ AEROSPACE

- Aerospace - Grade 9+
- Aerospace - Grade 6-8
- Aerospace - Grade 3-5

Requirements:

- Flyable models should be ready for flight (do not include fuel); recovery system should be in place and operative.
- Members should be familiar with safety codes in 4-H Curriculum.

Exhibit Suggestions:

- Flyable models built from kit or your own design.
- Non-flyable models built from kit or your own design.
- Display of other equipment needed for aerospace project.
- A rocket launch

❖ BICYCLE

- Bicycle - Grade 9+
- Bicycle - Grade 6-8
- Bicycle - Grade 3-5

Exhibit Suggestions:

- Display showing types of bikes, parts of a bike, maintenance, traffic rules, bicycling hazards, how to wear a helmet, equipment used to teach others about bike repair or first aid, etc.
- Notebook or picture story of a bike rodeo or other bike event you helped with, or research on some other aspect of bicycling that was presented to a class or service club.

❖ CAT

- Cat - Grade 9+
- Cat - Grade 6-8
- Cat - Grade 3-5
- Cat - Exhibit with Cat

Requirements:

- A cat may be entered with the exhibit. The exhibitor must maintain control of the cat at all times, and the cat must be taken home after conference judging. If selected, the cat does not go to the State Fair.

Exhibit Suggestions:

- Educational exhibits may include models, diagrams or pictures. Members must have a photograph of themselves with their cat shown on display or poster.

❖ CHILD & FAMILY DEVELOPMENT

- Child & Family Development - Grade 9+
- Child & Family Development - Grade 6-8
- Child & Family Development - Grade 3-5

Requirements:

- Exhibitors should be prepared to discuss, in conference judging, the age and other characteristics of the child for whom the exhibit is intended and how the exhibit contributes to the child's growth, development and well-being.
- If the exhibit is designed to be interactive with children the item is to be used with children before exhibiting and a photograph of this activity must accompany exhibit. Signs of use will not detract from the placing of the exhibit.

Exhibit Suggestions:

- Toy, game, puzzle, puppets, art/craft materials, etc., made from new or recycled/throw-away material.
- Babysitting kit/travel kit/rainy day kit, including at least one item made by exhibitor.
- Original book, story, poem, song, play, cookbook, audio or video tape and narrative, activity book, safety manual for children, file about children and/or families.
- Scrapbook, photographs, items, reports, video, etc., on family heritage with description of what was learned about self and family.
- A creatively developed program and/or item used for or with a person with a special need (gifted, developmentally delayed, physically impaired, etc.).

❖ CITIZENSHIP

- Citizenship - Grade 9+
- Citizenship - Grade 6-8
- Citizenship - Grade 3-5

Exhibit Suggestions:

- Three-ring binder, report binder or 3-sided display reporting on community projects and/or citizenship activities which you or your club completed under your leadership. Include plans of action as well as the evaluation of each.
- A written narrative and/or visual communication presentation of 8 to 10 minutes, using photos, video and/or slides, to show how you worked with others in your community to solve problems.

❖ **CLOTHING AND TEXTILES**

- Grade 9+ Clothes You Make

Grade 3-5 Clothes You Make

Grade 6-8 Clothes You Buy

Grade 9+ Non Garment Exhibit

Grade 3-5 Non Garment Exhibit

Grade 9+ Fashion Revue Clothes You Make

Grade 6-8 Fashion Revue Clothes You Make

Grade 3-5 Fashion Revue Clothes You Make

Grade 9+ Fashion Revue Clothes You Buy

Grade 6-8 Fashion Revue Clothes You Buy

Grade 3-5 Fashion Revue Clothes You Buy
- Grade 6-8 Clothes You Make

Grade 9+ Clothes You Buy

Grade 3-5 Clothes You Buy

Grade 6-8 Non Garment Exhibit
- Clothes or Non Garment You Make Requirements:
- Each garment must include an information tag listing: pattern company name and number, fiber content of fabric and care instructions, member name and club. Contact the Extension office for an information tag.
 - Garments may have been worn before showing but should be cleaned before exhibiting.
 - Items constructed should be appropriate for skill level and experience of exhibitor.

Exhibit Suggestions:

- Grades 3-5
- A simple constructed garment (i.e. shorts, pants, top, jumper/dress). Garment can, but is not required to include any of the following: collar, set-in sleeves, buttons/button holes, gathers, tucks, pleats, zipper, or waistband.
 - A non-garment project such as a pillow top, tote bag, chef’s apron, backpack, etc.
- Grades 6-8
- A constructed garment (i.e. blouse, shirt, skirt, pants, sweatshirt, jumper, etc.) and can include any of the following if appropriate to 4-H’er’s skill level and experience: collar/lapel, set-in or ragan sleeves, cuffs/ribbing, buttons, zipper, waistband, pockets, etc.
 - Creative sewing such as wearable art, costume, purse, or use of techniques such as knitting, cross-stitch, etc. that have been incorporated into the garment.
 - A garment mended, repaired, or recycled along with a photo of the original garment and the steps taken to mend, repair, or recycle.
- Grades 9+
- A constructed garment appropriate to 4-H’er’s skill level and experience. 4-H’er can use new fabrics, techniques, tailoring, etc. expanding on the grades 6-8 suggestions.
 - Creative sewing appropriate to the skill level and experience.

Clothes You Buy Exhibit Requirements:

- The purchased garment or outfit **must** be accompanied by an 8-1/2"x 11" binder with, at minimum, the following information:
 - a) Colored photo of member wearing the garment. Label photo with name, county, and color of complexion, hair and eyes.
 - b) Cost of garment. Explanation of why garment was purchased and examples of ways it will be used in existing wardrobe and include inventory of wardrobe.
- Garments may have been worn before showing but should be cleaned and pressed before exhibiting.
- For intermediate (grades 6-8) and advanced (grades 9 & up), exhibits should include a 22” x 28” poster expanding on information in the notebook. Possible ideas include cost comparisons, cost per wearing, wardrobe building, accessorizing, fabric structure, care, etc. For beginners (grades 3-5), a poster is optional.

Clothes or Non Garment You Buy Exhibit suggestions:

- A purchased garment that fits into your wardrobe plan.
 - A poster showing cost comparisons, wardrobe building, accessorizing, care, etc. (required for intermediate and advanced, optional for beginner)
- Fashion Revue Clothes You Make or Buy Requirements
- Participants may model any clothing they have constructed, restyled or purchased as a part of their 4-H clothing project.
- Note: At State Fair, clothing exhibitors can use the same garment to participate in both Fashion Revue and regular clothing in the same year.

❖ **CLOVERBUDS**

- Cloverbud Project Made at Home or at a Meeting (up to 5 projects)
- Cloverbud - Dairy

Cloverbud - Beef

Cloverbud - Goat

Cloverbud - Dog

Cloverbud - Poultry

Cloverbud - Rabbit

Cloverbud - Sheep

Cloverbud - Swine

Cloverbud Demonstration - Individual
- Cloverbuds is an introductory program to the 4-H. The focus of Cloverbud participation in the fair is on gaining experience preparing and presenting their projects individually. As such, participation in the fair is non-competitive, and Cloverbuds who successfully exhibit their projects will receive a ribbon and premium as specified in the Exhibit Rules.
 - Cloverbuds are permitted to submit entries into a maximum of 5 projects.
 - Cloverbuds may participate in club projects provided they regularly participate in club events/attend club meetings. A group project completed by your Cloverbud club (e.g., Cloverbud Club Banner, Cloverbud Poster, etc.).
 - Any one item made by the Cloverbud member at a Cloverbud 4-H Club meeting, which may include: 3 cut flowers in a vase, a potted plant, vegetable creature or creation, a nutritious food snack, a simple item you made for your home like a pillow, placemat, etc., rock creature, paper bag puppet, 4 interesting objects of nature, tree leaf collection, display of insects, simple craft item, or anything else you can think of.
 - For more information on Cloverbud animal projects, please see the desired animal in the Animal Science section of this book.

No State Fair trips in this division.

Requirements:

- Cloverbud members have completed kindergarten or grades 1-2.

❖ **COMPUTER**

- Computer - Grade 9+

Computer - Grade 6-8

Computer - Grade 3-5
- Requirements:
- Computers may be used in judging, but emphasis is on documentation, screen print and summary. 4-H'ers are responsible for providing and securing any hardware used for judging; hardware

- may not be left on display.
- Reports and written summaries should be bound in a booklet or placed in a folder.
- Exhibit Suggestions:
- Display showing the parts of a computer and how they work, consumer choices involved when buying a computer, how computer software can be put to use. Include statement of purpose, written plan for use, and examples of use.
 - Program/software developed by the 4-H member including a statement of objectives and discussion of program. Program/software to be original or adapted, by the member, from an existing program.

❖ **CONSUMER EDUCATION**

- Consumer Education - Grade 9+

Consumer Education - Grade 6-8

Consumer Education - Grade 3-5
- Requirements:
- Exhibitor should be able to explain his/her choices and the reasons for those choices.
- Exhibit Suggestions:
- Label comparison showing different types of labels and/or models of same included.
 - Consumer comparison comparing several models of the same item, showing feature, costs, etc., with best item selected and reasons why.

❖ **CRAFTS & FINE ARTS**

Note: Members enrolled in Creative Arts can exhibit in both Fine Arts and Crafts.

CRAFTS

- Crafts - Grade 9+

Crafts - Grade 6-8

Crafts - Grade 3-5
- Exhibit Suggestions:
- For a beginner, choose a project that teaches new techniques. For advanced, choose a project requiring masterful craftsmanship.
 - Basket making, tie dye, beading, ceramics, leather tooling, calligraphy, work from kits, etc.

Requirements:

- Each exhibit will be evaluated on its individual merit as a craft/kit.
 - Emphasis is on the creative process and the employment of design elements and principles.
- The craft/kit exhibit develops from someone else’s ideas and can be exactly replicated or replicated with modifications.
- All art objects must be appropriately finished. Exhibits will be disqualified if not ready for hanging, displaying, etc. (i.e. wire or hooks on paintings, bases for 3 dimensional work, etc.)

FINE ARTS

- Fine Arts - Grade 9+

Fine Arts - Grade 6-8

Fine Arts - Grade 3-5
- Exhibit Suggestions:
- For a beginner, choose a project that teaches new techniques. For advanced, choose a project requiring mastery.
 - Original work (no kits) in drawing, painting, sculpture, print process, textiles, pottery, etc.

Requirements:

- Each exhibit will be evaluated on its individual merit as an original fine art.
 - Emphasis is on the creative process and the employment of design elements and principles.
- The fine art exhibit should show proof that it is developed from the 4-H’ers own ideas and imagination.
- All art objects must be appropriately finished. Exhibits will be disqualified if not ready for hanging, displaying, etc. (i.e. wire or hooks on paintings, bases for 3 dimensional work).

❖ **CROP SCIENCES**

❖ **CORN**

- Corn - Grade 9+

Corn - Grade 6-8

Corn - Grade 3-5
- Requirements:
- Crop must be grown on your farm in the previous growing season
 - Include 3 x 5 index card listing the variety.
- Exhibit Suggestions:
- A two quart exhibit of shelled corn (no ear corn) must be placed in a clear 2 qt. jar or 2 clear 1 qt jars.
 - An educational display illustrating plant reproduction, soils, plant growth factors, plant characteristics, growing and using plants, plant growth and food production, examples of a plant disease, and the life cycle of that disease explaining causes and control.

❖ **SMALL GRAINS & LEGUMES**

- Small Grains & Legumes - Grade 9+

Small Grains & Legumes - Grade 6-8

Small Grains & Legumes - Grade 3-5
- Requirements:
- Crops must be grown on your farm during the previous or current growing season.
 - Include 3 x 5 index card listing the variety.
- Exhibit Suggestions:
- A two quart exhibit of any soybean or small grain variety from previous crop year, must be placed in a clear 2 qt. jar or 2 clear 1 qt. jars.
 - An educational display illustrating one of the following ideas: plant reproduction, soils, plant growth factors, plant characteristics, growing and using plants, plant growth and food production, examples of a plant disease, and the life cycle of that disease explaining causes and control.

❖ **DOG**

- Dog - Grade 9+

Dog - Grade 6-8

Dog - Grade 3-5

Dog - Exhibit with Dog (dog does not go to State Fair)
- Note: The Dog Show is a different project and can be found in the Animal Science section.
- Exhibit Suggestions:
- Educational exhibits may include models, diagrams or pictures.
 - Examples: dog diseases, breeding, training, etc.

❖ **ELECTRIC**

- Electric - Grade 9+
- Electric - Grade 6-8
- Electric - Grade 3-5

Requirements:

- A wiring diagram or schematic must accompany all electric and electronic exhibits

Exhibit Suggestions:

- Working electrical item constructed for home, yard or farm.
- Diagram of wiring in your home/farm showing switch locations, fuse boxes, wire size, capacities, fuse sizes, total bulk wattage, appliance wattage, number of circuits and type of wiring installation.
- Electronic item built from kit, plan, or own design with an explanation of what it is and how it is used.
- Display ideas: Careers in electrical field, electrical experiment (may or may not have worked), educational display used in teaching others, etc.

❖ **ENGINEERING DESIGN**

See <http://www.extension.umn.edu/youth/mn4-H/projects/set/> for more information

❖ **AQUATIC ROBOTICS**

- Aquatic Robotics - Grade 9+
- Aquatic Robotics - Grade 6-8
- Aquatic Robotics - Grade 3-5

Requirements:

- Design and build their own remote-operated vehicle (ROV)
- Use and adapt it to monitor water quality/Aquatic Invasive Species Education
- Work in teams of at least 3 youth, or individuals may exhibit
- Illustrate the community partnership (example: DNR, Water Resource or Lake Assoc.)

Exhibit Suggestions:

- Display, binder, poster illustrating the process of doing the activity/project
- Exhibit of ROV
- Display showing their use in Aquatic Invasive Species Education
- Booklet showing their progression in Aquatic Invasive Species Education as a team

ENGINEERING DESIGN

- Engineering Design - Grade 9+
- Engineering Design - Grade 6-8
- Engineering Design - Grade 3-5

Requirement:

- Include description of the problem/challenge being solved
- Include description of the Engineering Design process/steps undergone to solve problem

Exhibit Suggestions:

- Display, binder, poster illustrating the process of doing the activity/project
- Exhibit of engineering design product
- Display, binder, poster, webpage exploring a related career

ENGINEERING DESIGN CHALLENGE LEVEL 1 & 2 (formerly Rube Goldberg)

Engineering Design Challenge Team Member (choose level):

- Level 1 - grades 3 - 8
- Level 2 - grades 9 - 12

Youth in grades 6 and above can participate in Level 2 if they have at least 2 years previous experience in Level 1.

Each member (regardless of age) needs to register in one of these classes.

An Engineering Design Challenge machine is based on Rube Goldberg, an overly complex contraption designed to accomplish a simple task. The best created machines use a variety of everyday items in a whimsical way to create a series of chain-reaction steps to accomplish a simple task. In the contest, youth not only employ physics and engineering, but humor and storytelling, to create their machine.

This activity is a team event of at least 3 and no more than 10 members.

Requirements:

- Please refer to the Engineering Design Challenge Level 1 and 2 Rule Books at www.4-H.umn.edu/events/engineering-design-challenge/ for complete details.
- Teams of at least 3 youth
- Minimum of 10 steps
- Machine must operate in 2 minutes or less
- Exhibit physical size limited to 6 ft x 6 ft x 6 ft
- Explain one thing/step on the machine that they use science content and skills to help solve a problem/challenge
- Need to keep a written record illustrating the process of doing the project.

Exhibit Suggestions:

- Engineering Design Challenge machine itself
- Display, binder, poster illustrating the process of the doing the activity/project

Note: In 2018, the State Engineering Design Challenge for Level 1 and 2 (formerly Rube Goldberg) will be held at a site other than the State Fair. However, challenge teams are invited to showcase their machine and project at the State Fair. Participants can also have other general projects judged.

ROBOTICS

- Robotics - Grade 9+
- Robotics - Grade 6-8
- Robotics - Grade 3-5

Note: The goal of the 4-H robotics program is for the 4-H members to explore science, technology and engineering through designing and building a functioning robot. The robot can be either programmable or remote controlled. The robot can be created by an individual or a group.

Requirements:

- Exhibits must be labeled with name, and county on all pieces of exhibit.
- Include a description of the robots ability to sense, follow a plan and complete an act
- Exhibits may have a one page report explaining the function, purpose and construction of the robot.

Exhibit Suggestions:

- A robot, a display, diagrams of programming, booklets, etc.

❖ **ENTOMOLOGY**

- Entomolgy - Grade 9+
- Entomolgy - Grade 6-8
- Entomolgy - Grade 3-5

Requirements:

Insect Collection exhibits:

A. Collections shall be contained in a glass topped case; approximately 19" x 16.5" x 3" to 24"x18"x3" (drawers available for purchase in varying sizes). Arrange so that the case may be displayed in a horizontal position. Place project label on lower right corner of glass top. Only one case per exhibitor is allowed.

B. Specimens must be collected. Purchased insects are not acceptable.

C. Exhibitors must be the collector of the specimens in the project.

D. Specimens must be properly pinned with insect pins. Small insects may need to be placed on cardboard points.

E. Specimens must be properly labeled.

1) The location, date and collector must be included on the labels. County and state (and country, when applicable) are minimum location information that should be included. It is valuable to include nearest town or township where the specimen was collected, the type of habitat it was collected from (e.g. on elm tree; on lake shore; indoors) and the common name of the insect.

2) All labels should be visible so they can be read. Use permanent ink marker or pencil to write labels. Labels produced by a computer printer are acceptable. Ballpoint ink or non-permanent markers are not acceptable.

F. or more specific information on pinning, labeling, and other information, see Collecting and Preserving Insects, A MN Entomology Resource, www.4-H.umn.edu/projects/entomology.

Non-Collection Project exhibits:

A. Emphasis of project must relate to an aspect of entomology.

B. Project must demonstrate specific knowledge of insects. Be prepared to discuss references and sources (e.g. books, magazines, Internet, interviews with an expert, etc.).

C. Live projects (e.g. bee or ant colony) will be accepted if the project can be self-sustaining for up to 14 days without special care.

D. A written report or journal should accompany the project, introducing the subject, describing the process (materials and method), predicting an outcome, stating the results, and discussing any conclusions. Pictures, drawings, charts, tables or other figures may be used.

Exhibit Suggestions:

1. General Insect Collection: must consist of a minimum of 50 species of adult insects representing at least 8 orders.

2. Specialty insect collection can include, but is not limited to a collection of a single order (e.g. Coleoptera or Lepidoptera), a collection of immature insects, a collection of insects from a particular habitat (e.g. aquatic, forest or prairie) or a collection of economic pests of a specific crop (e.g. insects attacking corn).

3. Non-Collection Project can include, but is not limited to, life history displays (e.g. insect life cycle), scientific investigation (e.g. insect habitats or effects of environmental factors on insects) or insects in current events.

❖ **EXPLORING ANIMALS**

- Exploring Animals - Grades 9+
- Exploring Animals - Grades 6-8
- Exploring Animals - Grades 3-5

Requirements:

- This area is for 4-H'ers who wish to learn more about a given species. **Animal ownership is not required.**

- 4-H'ers enrolled in Exploring Animals, Beef, Dairy, Dairy Goat, Poultry, Rabbit, Sheep or Swine may exhibit in this category.

Exhibit Suggestions:

- An educational exhibit to show or explain something 4-H'er made, did or learned or may explore consumer issues, breeds or careers related to their selected animal.

❖ **EXPLORING THE ENVIRONMENT**

- Exploring the Environment - Grade 9+
- Exploring the Environment - Grade 6-8
- Exploring the Environment - Grade 3-5

Exhibit Suggestions:

- Display on environmental pollution describing the causes, effects on people and other living things, and methods to correct the situation.

- Display showing features of soils such as color, structure, texture.

- A display or journal of Minnesota plants, insects, animals, birds or fish. Include pictures or drawings and information on habits, foods, and shelter needs.

- Display showing erosion control practices such as minimum tillage, terraces, contour strips, grassed waterways, field windbreaks, water control structures, etc.

❖ **FISHING SPORTS**

- Fishing Sports - Grade 9+
- Fishing Sports - Grade 6-8
- Fishing Sports - Grade 3-5

Exhibit Suggestions:

- Fish identification. Describe the habitat and food needs of selected Minnesota fish; develop a panel display explaining the life history of a fish; create a model or exhibit identifying the parts of a fish.

- Fishing Knots. Identify how and where each knot is used; fishing equipment which is made or repaired such as lures, fishing rods and reels, ice fishing rig, or other fishing equipment

- Safety practices and techniques that are related to fishing or boating

- Examples of how water quality affects the fish eco-system

❖ **FLOWER GARDENING**

- Flower Gardening - Grade 9+
- Flower Gardening - Grade 6-8
- Flower Gardening - Grade 3-5

Requirements:

- Outdoor living flowers and plants are to be exhibited in this area (Including outdoor fairy gardens)

- Label each container according to kind or variety

- Live plant material will be accepted if it can be maintained in a fresh condition with ease. If not, adaptation such as photographs in place of live material may be made

- Flowers must be grown in the family garden.

Exhibit Suggestions:

- When exhibiting cut flowers, we suggest:

1. three stems of one variety of annual flower, or

- 2. one stem of a hardy perennial, or
- 3. one stem of summer flowering bulbs, or
- 4. one blossom of a tea rose, or
- 5. one stem of a hardy shrub rose.
- A collection of 4 different annual garden flowers, (1 stem or stalk of each)
- Flower bouquet or arrangement on any theme.
- Display of dried flowers with a card explaining the drying method.
- An exhibit on poster board, not to exceed 22 x 28". Include a plan of the garden drawn to scale, the correct variety name and pictures (or photographs) of the flowers grown. Be prepared to discuss the process from soil preparation to blooming.
- Educational Exhibit showing the principles of propagation or reproduction, nutrition, culture and physiology (how a plant lives and grows).

❖ FOODS AND NUTRITION

FOOD AND NUTRITION

- Food & Nutrition - Grade 9+
- Food & Nutrition - Grade 6-8
- Food & Nutrition - Grade 3-5
- Food & Nutrition - Bread
- Food & Nutrition - Dairy Foods
- Food & Nutrition - Microwave Cooking
- Food & Nutrition - Meats

Requirements:

- Exhibit may be food items and/or displays.
- Exhibitors should be prepared to discuss with the judge, references and information sources, nutritional values, methods, menu, costs, etc., as appropriate to that exhibit.

- Adapt a recipe(s) to show healthier ingredient choices.
- Study of how physical fitness and/or food choices are related to disease (ex.: cancer, heart disease, osteoporosis, diabetes, etc.).
- Study of labels from similar food items, comparing important nutrient content like fat, fiber and sugar.
- Exhibit showing food and/or kitchen safety.
- Nutrition/food science experiment.

FOOD PRESERVATION

- Food Preservation - Grade 9+
- Food Preservation - Grade 6-8
- Food Preservation - Grade 3-5

Requirements:

- Exhibitor must be enrolled in Food & Nutrition project.
- All recipes, procedures, and times followed must be according to current USDA and/or National Center for Home Food Preservation recommendations. For information, see Extension publication "Safe Home Canning of Fruits, Vegetables, and Meats, HE-BU-0516" available from the Extension.
- All food preservation exhibits must be labeled with a 2" x 3" label. Labels to include county, name, grade, product, hot pack or cold pack, processing method (boiling water bath or pressure canner), date, processing time. Date processed & source of recipe. Pressure canned items indicated dial or weighted gauge and how many pounds of pressure used.
- Jars should be heat-tempered glass canning jars.
- All jars should be sealed. Leave screw bands on two piece jar lids. Jellies and jams should be covered with lids.
- Use pint jars for fruit, vegetables, and fish; one-half pint jars for jams and jellies; one quart jars for pickled products.
- Jellies and jams must be processed in boiling water bath according to USDA and/or University of Minnesota food preservation publications, available through the Extension Office. Note: Paraffin is not acceptable.
- No artificial food coloring should be added to entries.
- Dried foods may be stored in glass jars, self-sealing plastic bags or airtight plastic bags. The quantity of dried foods should be: fruits and vegetables - 1/2 cup or more of each, herbs - 1/4 cup of each in whole leaf form, meat - 3 strips, i.e. venison or beef jerky.

Preserved within the past year.

Exhibit suggestions:

Include one (1) jar or one (1) bag of product

- vegetables or fruits
- jams, jellies, preserves, low-sugar spreads (no frozen)

- pickled products (fermented or added acid, including pickles, sauerkraut, relishes, salsa)
- meats, poultry and/or fish (fish must be in pint jars)
- dried vegetables or dried fruits
- dried herbs
- beef or venison jerky
- Food science experiment or educational display

FOOD REVIEW (judged prior to county fair)

- Food Review - Grade 9+
- Food Review - Grade 6-8
- Food Review - Grade 3-5

Note: The Food Review is conducted and judged prior to the County Fair. The Food Review will be held at 2 PM on Thursday, June 21st.

Exhibit suggestions:

- The following Guidelines will help you prepare for the Food Review.
- 1. Select a tested recipe from a reliable cookbook, 4-H foods bulletin or other dependable source.
- 2. Practice preparing the favorite recipe until it can be done easily and a good project is achieved. Be able to tell how it is done, if asked.
- 3. Plan a menu for the family for a meal or snack including the favorite food.
- 4. Plan the table coverings or mats, dishes, glassware, silver and centerpiece to use for serving the food. Set up the display including the recipe and menu. For members planning a snack, only the plate, glass and flatware.
- 5. Calculate the total cost of preparing and presenting the meal/snack, including the price per serving.
- 6. Bring a poster, photo, menu, and/or recipe to the fair for display purposes (there will not be food preparation at the fair).

❖ FOREST RESOURCES

- Forest Resources - Grade 9+
- Forest Resources - Grade 6-8
- Forest Resources - Grade 3-5

Requirement:

- Exhibits should be mounted on cardboard or other sturdy material.

Exhibit Suggestions:

- Collection of leaves or needles with twigs, identified with their common name. Common name should be printed near the identified leaf/needle.
- Photographic display of forest products--include the name of the product/use to identify the photograph.
- Display showing tree growth; annual ring cross-sections; make a seed collection.
- Prepare a report with drawings about your favorite tree--include name of tree, drawings or pictures of tree, facts and uses of the tree, and other appropriate information.
- Display showing layers of the forest; renewable versus non-renewable resources; forestry careers; leaf and twig identification; taxonomic keys; tree road maps.
- Display showing forest succession; tree and forest measurements; fire's effect on the forest; how trees grow; forest types; harvesting methods; entomology of the forest; pathology of the forest.
- Display showing forest products, including maple syrup production; wood products; Christmas trees or other forest resources (recreation, wildlife, etc.).
- Display showing specialized woodland management, including shelterbelts/windbreaks and urban forestry.

❖ FRUIT

- Fruit - Grade 9+
- Fruit - Grade 6-8
- Fruit - Grade 3-5

Requirements:

- Include a 3 x 5 index card listing the varieties of fruit, name and club of exhibitor.
- Exhibitor should bring 6 items of one variety of fruit

❖ **WILDLIFE/BIOLOGY**

- Wildlife/Biology - Grade 9+
- Wildlife/Biology - Grade 6-8
- Wildlife/Biology - Grade 3-5

Exhibit Suggestions:

- Display showing the life cycle of your favorite wild animal.
- Birdhouse, birdfeeder, or homemade bird book of local birds.
- An animal book of wild animals of Minnesota – describe habitat, food and shelter needs.
- A wildlife management plan – show practices related to land use and forest management for wildlife.
- Basic concepts of Wildlife Management (waterfowl wingboards, birdhouse trails, game food habits, game animal habitat requirements, history of game management, etc.).

❖ **YOUTH LEADERSHIP**

- Youth Leadership - Grade 9+
- Youth Leadership - Grade 6-8
- Youth Leadership - Grade 3-5

Purpose:

- Youth Leadership is a project area that requires the member to discover their skills and then develop those skills and share them with others. This might happen individually or with a group.

Guidelines:

- Taking charge, leading a service project and sharing the steps from beginning to end would be one example of a youth leadership project.

Exhibit Suggestions:

- A written narrative of your leadership role in your club or county including: holding an elected office, committee work, camp counselor, part of event management, project organizer, on-going yearly responsibilities in a planned club program and fund raising, etc.
- A lesson plan for an activity or a project meeting that you have planned and presented. Include teaching outline, objectives, information to be presented, techniques to be used, etc.
- Display, scrapbook, poster (but not limited to these) that documents you taking charge and leading a service project. Share the steps from beginning to end.

Have fun on the farm and stay healthy!

Even healthy, well cared for animals can have germs that can make people sick.

Keep food and drinks out of animal areas

This includes bottles, sippy cups, and pacifiers
You don't want to get germs on them

Wash your hands with soap and water

Wash hands after visiting the animals and before eating
Don't just use hand sanitizer. It doesn't work against all germs

Don't touch your mouth
That's how germs get in your body and make you sick

Wear appropriate clothing and shoes

Such as sturdy shoes and clothes you can get dirty
When you get home, change your clothes and shoes and wash them

Don't touch the farm equipment
Farm equipment can be dangerous
Stay with your group

If you are pregnant,
under age 5, over age 65,
or have a compromised
immune system, you are
at higher risk for more
serious infections.
