### Joan's Journal

Can you believe...a record-breaking attendance, 82 women in one room...and I could still hear myself think! Now, where to begin?

Wasn't that a really terrific luncheon? How nice that we had so many new and prospective members join us today. We hope to see you on a regular basis.

First, thanks go to Pat Fluno who tracked down Thomas Jefferson, obviously a friend of Benjamin Franklin, who visited us last year. Way to go, Pat..wish we had more time to speak with him.

Next..thanks to Martha and Gloria for arranging such a nice luncheon at Carrabba 's. As always, it was a lovely afternoon. Good job ...well done. Judy Babine really did a great job with the Tea Cup Raffle. It was different and it was fun. She always comes up with fun ideas.

Should do that again. Hope so.... Don't forget to contact Mary Jane Godfrey when you hear of someone in need...food, doctor's appointments, etc.,... It was nice to see Nancy Jaeger and Pat Brizel...who recently had surgery. Patti Zedo, and Ann McLean, how nice to see both of you up and running, after a long bout of illness.

What a terrific idea Judy Babine had with the pink T-shirts. If you are interested, be sure to contact her for size. This was a really wonderful job Judy. Martha Cirrotti hosted a terrific Welcome Social at her home last week and we had the opportunity to meet many new and potential members. It was a fun evening and we met lots of new friends.

Barbara Wiseman and Linda Gallagher are so busy lining up activities for us. Please contact them for more info. Pot Luck for November 6<sup>th</sup> will be shared by Doreen Bertan and Judy Babine at Doreen's Clubhouse in Casselberry... Please call Doreen if you are interested. We always have a very nice evening, and it 's a good opportunity to make new friends.

Review of The Zoo Keeper's Wife from the New York Times: non-fiction

There were 380,000 Jews in Warsaw on the eve of World War II. Most did not survive the Holocaust. The director of the Warsaw Zoo and his wife were responsible for saving about 300. Jan and Antonina Zabinski's work was distinctive. The Nazis dehumanized the Jews; the Zabinskis hid them in animal cages. The Nazis behaved like beasts; the zookeepers, who were experienced with dangerous animals, threw them off the scent with subterfuge and lies. The Zabinskis' effort was not just merciful, it was human in the deepest sense of the word.
