**Greeting Quilters !!! AWESOME, FANTASTIC, and INSPIRING !!!** I can not think of a word to describe my view when I stood by that podium. It was a beautiful sea of color, and Rev. Wilson's praise was well-deserved. What works this Guild accomplishes. When covers were made for baby car seat carriers, materials were brought in and the Wednesday morning "sit and sew" group cut and sewed, then took them home to finish. The Tuesday morning group at St. Gabriel's were volunteered to make adult bibs; so for two(2) Tuesday mornings, they have been busy making bibs from the Guild's stash. I'm sorry to say I wasn't able to help the second Tuesday, (I didn't want to share my germs).

I have singled out these two groups in this newsletter because they step up when they are needed, Always!! But, I want to recognize our Guild members that contribute without showing up for either of these meetings. I'm constantly getting items that someone has made and is donating to the Guild. Some are single items and some send in large tote bags. It is ALL very much appreciated.

Let me finish this message with: **this GUILD is AWESOME, FANTASTIC, GREAT and INSPIRING !!!!!** Laura

***HAPPY HOLIDAYS TO ALL – FAMILY & FRIENDS***

# ***THE SEVEN WONDERS OF THE WORLD***

*A group of students were asked to list what they thought were the present “Seven Wonders of the World”. Though there were some disagreements, the following received the most votes:*

- 1. Egypt’s Great Pyramids*
- 2. Taj Mahal*
- 3. Grand Canyon*
- 4. Panama Canal*
- 5. Empire State Building*
- 6. St. Peter’s Basilica*
- 7. China’s Great Wall*

*While gathering the votes, the teacher noted that one quiet student hadn’t turned in her paper yet. So she asked the girl if she was having trouble with her list.*

*The girl replied, “Yes, a little. I couldn’t quite make up my mind because there were so many.”*

*The teacher said, “Well, tell us what you have, and maybe we can help.”*

*The girl hesitated, then read, “I think the ‘Seven Wonders of the World’ are:*

- 1. To See*
- 2. To Hear*
- 3. To Touch*
- 4. To Taste*
- 5. To Feel*
- 6. To Laugh*
- 7. And To Love.”*

*The room was so quiet you could have heard a pin drop. The things we overlook as simple, ordinary & take for granted are truly wonderful!*

*A gentle reminder – that the most precious things in life cannot be built by hand or bought by man.*
