## Atlanta Highlights

While eating lunch at a kosher restaurant, an Orthodox **RABBI** read my Hebrew (***Yeshua Loves You***) t-shirt out loud! I asked if he knew Yeshua? He said he was not interested. I told him he will be one day and changed the conversation to Jewish geography which is a favorite topic of my **PEOPLE!**

I sat at the community table where anyone can sit. A young Orthodox **MAN** sat with me. He told me all about his beliefs which were somewhat all over the place? I shared some with him, and he accepted a Gospel tract! I went back another day, but at a different time and ran into this young man again! Please pray!

I had a late lunch at another restaurant owned by **ISRAELI BROTHERS**. Since it was somewhat late, there was hardly anyone in the restaurant. The less religious brother sat with me, and we talked. The more religious brother always talks to me in some Hebrew. I've known them several years now, and pray for their salvation!

A Jewish **MAN**, who prayed with me to receive the Lord several years ago, and I often go out to eat. One night I picked him up at work, and when we got to the restaurant he suggested, he decided he wanted to try the new pizza place across the street. There was a young Jewish **MAN** working there who used to work at the yogurt store near my house. He's from an Orthodox Jewish **FAMILY**, but isn't Orthodox himself. Please pray!

My **ROOMMATE** and I often go out to eat together, sometimes with my Jewish Friend. My roommate has gone to **ISRAEL** with me three times, and we are planning another **TRIP TO ISRAEL** for later in the year. One night we stopped at the Kroger on the way home from dinner and ran into my **ISRAELI NEIGHBOR** again! He sometimes sees me driving and calls to say he's right next to me! Please pray for him!

My roommate and I went to dinner and parked the van right near where we were sitting. A carful of **MEN** (Obviously Israelis) pulled up next to the van and did a double take when they saw the van. One man read my Hebrew t-shirt outloud, and I told them it was true! "***Yeshua Loves Them!***"

## Johnny Hunt Womens Conference

It's always a blessing to be able to minister at my home **CHURCH!** We equipped **MANY** with evangelistic t-shirts, scripture tote bags and scripture jewelry!

-

## Ultimate Womens Show

We had a ministry booth at the Ultimate Womens Show which took place at the Georgia World Congress Center in downtown Atlanta. I usually display an Israeli flag under our ministry banner. Not only were there numerous ISRAELIS working there and shopping there who came by to talk, but there were many Jewish WOMEN who stopped to ask questions as well! I actually knew two of them!

-

## Russian Festival

A large Russian **CHURCH** had a weekend festival and invited me to minister too! I gave away several evangelistic books that I brought back from the Ukraine last year. People took them to read and promised to give them to their non-believing Jewish **FRIENDS**. One woman took several specifically for her Jewish **FRIENDS**. My Russian/Israeli **CONTACT** at the mall told me his **BROTHER** was at the festival!

*"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12*

## Nashville, Tennessee (Follow-Up)

This is from the WOMAN I met at the "Southern Woman's Show" who has been witnessing to the eight ISRAELIS, "I thank you so very much for the bibles you sent. These are the bibles the Lord showed

me. I feel so blessed. I can't wait for the Lord Jesus to tell me which one of the Jewish guys to give the first bible to. I appreciate so very much that you would remember my request. I got the bibles today what a blessing thank you thank you thank you. May the Lord Jesus Christ bless you richly. And keep you in his bosom. Thank you so much."

### Pittsburgh, Pennsylvania (T-Shirt Sighting)

I received a phone call from a new Jewish **BELIEVER**. He recently moved to Pittsburgh, Pennsylvania. While at the supermarket, he saw a man wearing a, "*Jesus Loves You*" t-shirt in gold with blue letters (he got from my friends **ABRAHAM & SHEILA SANDLER**). The new believer was so excited! He googled the t-shirt, found my phone number and ordered three!

**EDDIE & LURA BECKFORD (Arad, Israel)**

"We took two team members to distribute Bibles in the Red Light district in Tel Aviv and to meet with various ethnic groups: Ethiopians, Sudanese, Russians & different refugee groups.

One woman ministered to the ladies of the night, Eddie & I distributed Bibles in the park nearby, then went to a Russian ministry that feeds the homeless, and gave them audio Bibles.

On our way back to the train station, we came across a group of Biafrans (Jewish people from Nigeria). They were taking part in a worldwide memorial service to honor the 6 million Biafrans killed. It was a very interesting group.

Israel is so full of various ethnic groups, it is impossible to tell who the Lord will bring across our path next! The Lord is so creative! We met several people who not only took the books & Bibles, but were enthusiastic about receiving them. One man kept telling us we were good people because we bring Yeshua to them!

Eddie's T-shirt generated lots of attention, of course! We are so privileged to be used of the Lord like this! God bless you for praying for Israel!"
