

Holy, Holy, Holy

Holy, Holy, Holy is the Lord God Almighty, who was and is, and is to come! - Rev. 4:8 In Chip Ingram's study series "The Real God" he highlights the Holiness of God in chapter 4. This is something that often gets lost in our world today. The word Holy carries the connotation of something set apart or consecrated for a specific purpose. A vessel to be used only for serving the King. As we walk our daily lives **is that the first thing that stands out in our minds?** The pattern of this world does not encourage this aspect of living, in fact it discourages it. What best fits my needs? What will get me in first place? This is the world's pattern. May we be challenged this year to always consider first Holiness and live out of a servant's attitude.

Matthew 20:27-28 **Whoever wishes to be first among you shall be your slave; just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many.**

TLC Partners with Oklahoma Nazarene

Recently TLC residents and several staff spent the better part of a week doing winter repairs, roofing, flooring, other jobs at Camp Bond in SE Oklahoma. The mission trip was coordinated with Dr. Terry Rowland who is the District Superintendent for Oklahoma Church of the Nazarene. Camp Bond is the primary summer camp/youth retreat for the Nazarene denomination. **Thanks to the Oklahoma Church of the Nazarene for funding the trip.**

Winter - A good time to clean up those backyard messes, do flowerbed dirtwork, heavy tree pruning, etc. Inquiries for projects.....

TLC Partners with Forgotten Ministries

Anthony Martin was in the TLC Program and grew quickly. Pastor Ricky recognized the gifting and commitment in Anthony's life. Pastor Jeremiah of Forgotten Ministries in Enid, OK and Ricky were visiting one day about the "Oasis" program in Enid. Jeremiah had need of someone to be mentored into the leadership role for the Forgotten Ministries Oasis program. After prayer and consideration Anthony was appointed to take over leadership in the program. Oasis is designed to help men re-enter society from incarceration. Anthony is pictured here on a work project bringing new life to an old church donated to the ministry in Enid. We believe Anthony's placement at Forgotten Ministries is one of the success's of **TLC's Ministry**. To learn more see "forgottenministries.com"

Funding - Always a topic of concern for non-profit ministries. Our fundraiser in November was a great success but with variations in contributions and changes in expenses much of our **operating cushion has been depleted.** This always provides an opportunity to see how God is going to meet the need but in our humanness have a hard time putting "anxiety" aside and trusting for the need to be met. In addition to this our desire is to take a mission trip to the area of Florida affected by hurricane Micheal. As you probably know mission trips always stretch us out of our comfort zone and provide opportunities to see the world outside of the sometimes "small boxes" we live in. We ask you to consider giving toward this Florida Mission but do not want this mission to affect regular donations for the daily operations at TLC.

Please consider both opportunities with us.

Donations can be made by taking advantage of donation envelopes and mailing to PO Box 88, Fairview, OK 73737, or the "Donate Now" button on our website at **fairviewtlc.net**.
